"Did you come here to seduce me, little mite? I think you leave me no choice but to teach you a lesson." I'm the tallest unmarried girl in my village...and also taller than all the boys. This did nothing for my prospects of finding love. So instead, I went off to seek my fortune. It led me to a circus by the sea...and rumors of the last living giant. Apparently, he doesn't much care for people, but the ringmaster offers me riches beyond my dreams if I can entice him to come down from his home in the forest. Well, it was fortune I was seeking, and fortune I'm determined to find, so I climb the magic beanstalk to his hidden home, but...the giant is not amused by my plan. At all. And it turns out, his home is one big trap of faery vines. I'm snared by an antisocial but surprisingly handsome giant--and for the first time in my life, I've met a man who makes me feel delicate. He might want to punish me for trespassing, but...it feels more like passion. Only, the world isn't safe for the last giant, and maybe it's not safe for a woman who loves him either. The Giant's Captive is an adult fairy tale retelling of Jack and the Beanstalk for those who like an adorable happily ever after fantasy romance with a side of serious steaminess!

Colourfully illustrated, humorous picture book for young children. The reader is asked to find the pictures corresponding to the well-known fairytale characters described in the text.

Once upon a time fairy tales weren't meant just for children, and neither is Angela Carter's Book of Fairy Tales. This stunning collection contains lyrical tales, bloody tales and hilariously funny and ripely bawdy stories from countries all around the world- from the Arctic to Asia - and no dippy princesses or soppy fairies. Instead, we have pretty maids and old crones; crafty women and bad girls; enchantresses and midwives; rascal aunts and odd sisters. This fabulous celebration of strong minds, low cunning, black arts and dirty tricks could only have been collected by the unique and much-missed Angela Carter. Illustrated throughout with original woodcuts.

Fabulous Identities revises traditional interpretations of the fairy-tale vogue which was dominated by salon women in the last decade of the French seventeenth century. This study of women's tale narratives is set into an investigation of how aristocratic identity was transformed by political and social realignments forced by royal absolutism or ambitious materialism. Women's distinctive contributions to the genre are defined by drawing upon various texts that articulated the century's moral, cultural, and aesthetic values, as well as upon contemporary critical perspectives including seventeenth-century historical and cultural studies. Caught up in the philosophical, political and social controversy over woman's nature, seventeenth-century women writers benefited from salon culture and their access to writing through the literary genres of fairy tales and novels, to explore new identities and expand representations of subjectivity. Women's tales can be seen as a theater for staging an authorial persona at odds with their portrait as presented in male-authored didactic treatises and in the fairy tales of Charles Perrault. At a time when the pressures of social conformity weighed heavily upon them, the contesees highlight through metamorphosis the affective dimension together with its impact on evolving notions of personal autonomy.

Violet and Victor work together to write a truly enchanted tale! Violet is determined to write the most fabulous fairy tale that has ever been imagined! Her twin, Victor, is not in the mood for make-believe. "I was born in a castle!" Violet says. "You were born in a hospital," Victor replies. But when an evil witch arrives in Violet's story, will Victor help write an ending that saves the day? Join the twins on an adventure through Fairy Tale Kingdom as they celebrate the joy of storytelling and reading!
