Ashoka The Great: Wytze Keuning: Amazon.com.au: Books
Wytze or Wietse Keuning was a Dutch school teacher, author and classical music critic. He was the co-author of three series of successful primary schoolbooks and one book of folk tales for young people. He wrote three novels situated in the northern part of Holland and a three-part three-volume fictionalized biography of Ashoka the Great. Keuning finished writing a two-part historical novel on Helena, the mother of Constantine the Great, but died before the publication process was started.

How does Amazon calculate star ratings? ... Ashoka the Great. It is as unputdownable a book as I have ever read. The way the author builds the aura around Ashoka, his might, his sense of propriety and cunning is mindblowing. Thrilling is a word one would not often associate with ...

The historical novel "Ashoka the Great" is the life story of one of India's greatest monarchs, living in the 3rd century B.C. The Ashoka-chakra, the wheel of Dharma, adorns since India's independence the Indian flag. His nearly 40 years' government is viewed today by scholars as the first welfare state the world has known. In part 1 of the trilogy, *The Wild Prince*, we see how his passionate but honest character leads him often into difficulties. He is praised for his pride and courage yet feared for his direct tough actions, looking through the trickery of enemies. As the successor of his father he becomes *The Wise Ruler*, part 2, a governor ruling with wisdom, strict laws and justice. After a terrible war in which numerous people lost their life, he embraced Buddhism, forswearing all wars of attack. After years of ruling, applying the wisdom of Gautama the Buddha, he becomes Dharmashoka, the great admonisher, part 3.

Documents the story of the third-century BCE leader who endeavored to govern India by transforming Buddhism from a minor sect into a major world religion, drawing on archaeology to discern his story from cleansed historical records.

This text is a classic in Indian political literature as the original author belongs to the Idealist school of great political thinkers such as T H Green and Bosanquet. It is a comprehensive treatise on basic structure of established political theories, be it Bosanquet's idealistic theory of the State to liberal and anti-idealist view, as expressed by L T Hobhouse, to the Marxian theory of the State. The textbook follows an ideological approach where it rejects the attitude of those behaviouralists who place undue emphasis on methods, techniques and skills rather than on first principles and value judgements. It is developed for the undergraduate students of Political Science (Pass and honours courses). Aspirants of various competitive examinations such as Civil Services Examination and state public service commission examinations will also find the book extremely useful.

In the third century BCE Ashoka ruled in South Asia and Afghanistan, and came to be seen as the ideal Buddhist king. Disentangling the threads of Ashoka's life from the knot of legend that surrounds it, Nayanjot Lahiri presents a vivid biography of an emperor whose legacy extends far beyond the bounds of his lifetime and dominion.

Over twenty-two centuries ago, Ashoka Maurya, lord of a vast Indian empire, won a crushing victory in war. Filled with remorse, he embraced compassion, and tried to build a Buddhist utopia throughout India and beyond. The Book of Ashoka is intended as a source-book, reader and introduction to this unique historical figure.

Simon Webb's introductions to the various sections tell the story of the re-discovery of Ashoka by nineteenth-century European colonisers, and explore the lasting significance of Ashoka for modern Indians. Published by the Langley Press

Chanakya, who lived in India in the 4th Century BC, was a leadership guru par excellence. The treasure of his teachings can be found in his book, The Arthashastra, which deals with good governance based on ideal leadership. The concept of the ideal nation in The Arthashastra, called Saptanga, holds that there are seven pillars of a kingdom: Swami, Amatya, Janpada, Durg, Kosha, Dand, Mitra iti Prakritya. For centuries, Indian rulers have used this concept as a model of successful government. In this path-breaking book, Chanakya's 7 Secrets of Leadership, author Radhakrishnan Pillai delves into Chanakya's Saptanga with the real-life example of D. Sivanandhan. Former Director General of Police, Maharashtra, and the archetype of an able administrator, Sivanandhan shares his guidelines for effective management, highlighting those that make him a dynamic leader. In Chanakya's 7 Secrets of Leadership, theory meets practice, academic research meets vast experience in police supervision and an age-old formula is revealed in a modern-day success story. Together, Pillai and Sivanandhan bring Chanakya's model to life. Anyone can use the seven secrets of leadership to run a kingdom effectively. Apply them in your life, and the magic of Chanakya's wisdom will transform you into the ideal leader. Radhakrishnan Pillai, founder-director of the Chanakya Institute of Public leadership (CIPL), has represented India in various national and international conferences and has taught at educational institutes in Germany (Heidelberg, Cologne), UK (Oxford, Cambridge) and India (IIT, IIM and IISc). His best-selling book Corporate Chanakya is used by business schools around the globe. Pillai received the Sardar Patel International Award in 2009. D. Sivanandhan, former Director General of Police, Maharashtra, is one of India's most highly regarded IPS officers. He has been

instrumental in rebuilding the defenses of Mumbai after attacks in November 2008, and has served as member of the special task force in the National Security Council Secretariat. Currently, he serves on the board of several companies and is the Chairman of Securus First India Pvt. Ltd.

Can Ashoka conquer his enemies, or will his own demons get the better of him? Known in far reaches of the world as a great conqueror, emperor Bindusara rules over much of India with an iron fist. When a Brahmin prophesies that his wife, the beautiful Subhadrangi, will birth a legendary ruler, Bindusara is ecstatic. But when the child is born a frail, ordinary-looking boy, the emperor, filled with disappointment and disgust, leaves him to his mother and turns all attention to grooming Susima, his eldest son, as heir to the Mauryan throne. Shunned by his father, and bullied and humiliated by Susima, Ashoka learns from a very early age to be the master of his own fate. Under the determined tutelage of his mother and the company of a few loyal companions, he begins to challenge Susima at every step. When he meets a beautiful and spirited young woman who teaches him the true meaning of courage and changes him forever, he begins to dream of ruling the vast empire. But kaal has other plans for him, for his ambition and steady rise are being noted by those who want to end the threat to Susima's succession once and for all. Will Ashoka allow the obstacles along the path of his destiny to overwhelm him, or can he rise above them to become the greatest emperor who ever lived?

Considered by many as the greatest short story writer the world has seen, Anton Chekhov changed the genre itself with his spare, impressionistic depictions of Russian life and the human condition. From characteristically brief, evocative early pieces such as *The Huntsman* and his masterpiece *A Bet* to his best-known stories such as *The Lady with the Little Toy Dog* and *The Requiem*, this collection of Chekhov's remarkable short fiction possesses the
