On Cuomo Prime Time Wednesday, Chris Cuomo sparred with Maggie Mabie, a lawyer representing Spencer Elden ...
Oh well, whatever, never mind.' I'm a little like that with your complaint, that's why I ...

He was trouble from the start, but I couldn't resist. [She was the best kind of trouble. The kind that was so wrong, it felt right.] I've tried and failed to stay away from him. [I've done everything in my power to make her mine and keep her.] He's

almost impossible to say no to. [She never tells me yes.] We're always fighting. [When we're not fighting, we're... well... making up.] He makes me laugh so hard. [I miss her laugh the most.] I'm a liar. [She knows the truth, but won't admit it.] Sometimes, I wish I'd never met him. [I wish we could meet all over again. I'd do better.] His girlfriend knows. [The guy she's with is a fool.] I'll never love anyone like I love him. [She doesn't love me enough to choose us.] It was the wrong place. [It was the wrong time.] It should have been him. [It will always be her.] *This book contains adult situations and is recommended for adult readers.

This isn't just a two-year long one-night stand. It's my life. [This is my life. Our life. It isn't just some careless affair.] I've

made the worst decisions a woman could, but I'll earn my second chance. [She can try keeping all the guilt for herself, but I'm just as much to blame.] Loving Casey wasn't my biggest mistake. Fighting it for so long was. [I'll show her how fearless our love makes me. I'll protect her torn heart.] He still has magic in his eyes. He's the man who makes me happy. [Her voice still brings me to my knees. She says my name like it's sacred.] I live for the day when I'm his. To take care of him. To love him the way he deserves. [I can't wait to be all she needs. I can give her a happy life, security and so much love.] Sometimes two ships never meet in the night, but ours did. [Sometimes the water is rough. It beats you all to hell, until you have no choice but get stronger.] Our love story reads more like a tragedy, but to me it's clean and pure. [Let

them point their fingers. Without a love like ours, they haven't really lived. I pity them.] I'm a cheating wife and a villain. I am his honeybee. [I'm a snake in the grass and I sleep best when I'm lying next to his wife.] I want to be his everything. [I'm nothing without her anyway.] This isn't even close to over. [It'll never be over.] *This book contains adult situations and is recommended for adult readers.

Welcome to Wynne, population 3,401. No billionaires. No professional athletes. No celebrities. In this small town, current events are pondered in mirrors at the local salon or around crowded tables at the diner, and there's a new couple to gossip about. A rough and tumble woman who works in her dad's garage, not yet ready to spread her wings, shows the

new guy in town what it's like to finally have roots. It's your run-of-the-mill, sexy, Astro van driving dentist meets smart-ass, bass fishing tomboy in a story of real-life romance. Low on drama. High on love. Pull up a chair and stay a while.

He knows everything. She has all the damn answers. I've always been a free spirit. It's my nature. I crave control, but with her it's far more. He's a power hungry climber. Her wealth could buy and sell me. It's too much pressure being the center of anyone's focus. She underestimates my desire for her, my need to please just her. When he's vulnerable, it's hard to deny him. Her crooked smile cripples me. He hides his demons, but I'm no fool. She thinks not committing to anyone makes her more honest. She's wrong. A man like him

deserves someone who can offer that kind of love. She promises nothing, yet I feel like a king when she says my name. I never let anyone possess me like he did. Not before. Not after. My greatest regret was compromising. I should have never held back. Still, when we're apart I'm not myself. I miss the days when she was just down the hall. He's better off without me, and it hurts. The ugly truth is I need her more than she needs me. Our relationship was born out of lust and curiosity. The lies we told ourselves killed it. Together, we found Nirvana. We learned it was all a mirage. I ruined him. I broke her heart. I keep coming back. I can't let her go. KNOT is a contemporary romance and a complete standalone. It is the first spin-off from the best-selling Wake Series. You do not need to read BAIT, SAIL, or ANCHOR to enjoy this book

in its entirety, but if you love angst you'll enjoy them, too.

Welcome to Wynne, population 3402. No rockstars. No major politicians. No media moguls. Things don't change quickly in a small town, except when they do. It's been pouring rain all summer long, and the disc jockey and local farmer are all of the sudden attached at the hip. It's not only the rising river getting deeper and deeper. This is your basic water tower painting, tractor driving, tailgate cooler packing kind a guy chases the single, blonde, radio vixen with mosquito bite rage from his youth type of romance. Or is it the other way around? Low on drama. High on Love. Grab an umbrella because it's a long wet summer. Sunshine and Rain is the second stand alone novel in the City Limits series. It follows

new characters as they navigate their own small-town romance.

Did you ever hear the joke about the guy whose wife cheated on him with his best friend? So he quit his job, moved into his parents' basement, and gained fifty pounds? No? Because that wasn't a joke. It was my life. Four years later, I'm back with a dream job, a killer apartment, and a set of abs that are better than ever. So, when Maggie Light, a stunning, snarky blonde moves in next door, and we spend the hottest weekend of our lives together, I think this could be the greatest comeback story ever. That is until I realize Maggie has moved to town to do one thing-steal my job. Maybe this isn't a comeback story after all. Maybe this is war-one I intend

to win. What I never anticipated was that maybe I'd rather win her. Perhaps, if I'm lucky, the universe has finally run out of jokes and I can somehow win both.

A hot contemporary romance from the author of the Wake Series. I'm a man's man. A bro. A pal. A dude. And I love women. Am I a saint? Far from it. Do I go out with a lot of women? You're damn right. I date them all. Shy. Loud. Too busy. Lonely. High maintenance. No confidence. No filter. Bad habits. Naive. Beautiful ones. Pretty ones-and believe me there is a difference, but that's another soap box. Point is, I don't discriminate. What do I get out of it? Knowledge. I want to be prepared, adept, and ready. I might find the perfect woman for me today or a few years from now, but I won't stop

Access Free Bait Wake 1 M Mabie

until I do. Then when The One comes along, I'll be ready to go the distance. Ready to go all the way. I'm Cord Taylor, and, lady of my dreams, I'm coming for you. All the Way is a standalone novel for readers who enjoy laughing as much as the steamy bits.
