Celia Rees was the first author to whet my appetite for historical fiction during my early teens, and I ' ve been lucky enough to meet her more than once through Litfest. It was during a Litfest event all about Gothic YA Fiction that I first came across Blood Sinister. Both our protagonists in Blood Sinister share the name Ellen.

[Blood Sinister by Celia Rees - Goodreads](#)

This is a teen novel about a young modern day girl named Ellen suffering from a rare, undiagnosed blood disease. She discovers several diaries and delves into them with enthusiasm. The writer is an ancestor and very much like Ellen herself only living in historical times. They even share the name Ellen.

Gr 9 Up Celia Rees's haunting tale (Scholastic, pap. 2007) is chillingly brought to life by narrator Shirley Barthelmie. Ellen, 16, is battling an undiagnosed and potentially terminal illness. After countless tests, she's sent to spend time at her grandmother's house where she uncovers her great-grandmother's diaries, a welcome diversion from her reality.
