California is in the midst of a surprising transformation from a migration magnet that supplies its needs from outside the state to a more self-contained society that depends on its present members We have become

~~[MOBI] California Government In National Perspective~~

The government of California is the governmental structure of the state of California as established by the California Constitution. It is composed of three branches: the executive, consisting of the Governor of California and the other constitutionally elected and appointed officers and offices; the legislative, consisting of the California State Legislature, which includes the Assembly and the Senate; and the judicial, consisting of
