interlingually, intralingually or

intersemiotically, as well as the

products that are derived from this

process. She situates music and

translation within their contemporary

global context, examining the tensions

between local and global,

cosmopolitan and national, and

Download Free Category Piazzolla Astor Imslp

Universal and specific settings, to arrive at a celebration of the translational power of music and an in-depth study of how musical texts are translated. This book will be of interest to translation studies scholars who want to broaden their horizons, as well as to musicians and music scholars
