“Another deviously construction Inspector Morse mystery from the masterly hand of Colin Dexter.”—The New York Times Book Review Why would a sniper shoot suburban physiotherapist Rachel James as she sips her morning coffee? Inspector Morse's hunt for answers kicks off with a tabloid journalist, winds through the strip clubs of Soho, then returns to Oxford, where two senior dons and their wives battle for a plum promotion. Then, on the personal front, Inspector Morse receives intimations of his own mortality. And while Morse muses on life, he reveals his first name at last. . . . Christian Science Monitor "A brilliant tour de force, an ingenious exploration of the human heart . . . At once sensitive, profoundly wise, and deeply felt."—Buffalo News

"Audacious and amusing . . . may be the best book yet in this deservedly celebrated series."—The Wall Street Journal It was only the second time Inspector Morse had ever taken over a murder enquiry after the preliminary—invariably dramatic—discovery and sweep of the crime scene. Secretly pleased to have missed the blood and gore, Morse and the faithful Lewis go about finding the killer who stabbed Dr. Felix McClure, late of Wolsey College. In another part of Oxford, three women—a housecleaner, a schoolteacher, and a prostitute—are playing out a drama that has long been unfolding. It will take much brain work, many pints, and not a little anguish before Morse sees the startling connections between McClure's death and the daughters of Cain. . . . Praise for The Daughters of Cain "Very cleverly constructed. . . . Dexter writes with an urbanity and range of reference that is all his own."—Los Angeles Times "You don't really know Morse until you've read him. . . . Viewers who have enjoyed British actor John Thaw as Morse in the PBS Mystery! anthology series should welcome the deeper character development in Dexter's novels."—Chicago Sun-Times "A masterful crime writer whom few others match."—Publishers Weekly

Thames Valley Police suspected foul play. But without a body, and with precious few clues, the investigation ground to a halt. Now it seems that someone who can hold back no longer is composing clue-laden poetry that begins an enthusiastic correspondence among England's news-reading public. Not one to be left behind, Morse writes a letter of his own--and follows a twisting path through the Wytham Woods that leads to a most shocking murder.

#1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE'S 100 BEST YA BOOKS OF ALL TIME The extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist—books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of *I Am the Messenger*, has given us one of the most enduring stories of our time. “The kind of book that can be life-changing.” —The New York Times “Deserves a place on the same shelf with *The Diary of a Young Girl* by Anne Frank.” —USA Today **DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF.**

Collected in one volume—the first three books in the bestselling Inspector Montalbano mystery series “You either love Andrea Camilleri or you haven't read him yet. Each

novel in this wholly addictive, entirely magical series, set in Sicily and starring a detective unlike any other in crime fiction, blasts the brain like a shot of pure oxygen. Aglow with local color, packed with flint-dry wit, as fresh and clean as Mediterranean seafood — altogether transporting. Long live Camilleri, and long live Montalbano.” A.J. Finn, #1 New York Times bestselling author of *The Woman in the Window* American readers were first introduced to Sicily’s inimitable Inspector Salvo Montalbano more than ten years ago. Since then, the detective—and his characteristic mix of humor, cynicism, compassion, and love of good food—has won the affection of crime fiction aficionados and Italophiles alike. With Andrea Camilleri’s last two mysteries appearing on the New York Times bestseller list, it’s clear that interest in the series is at an all time high. Now, *Death in Sicily* features the Inspector’s first three adventures in one handy volume, offering new readers just the enticement they need to get started.

Interviewing war criminals and their victims, Neuffer explains, through the voices of people she follows over the course of a decade, how genocide erodes a nation’s social and political environment. Her characters’ stories and their competing notions of justice—from searching for the bodies of loved ones, to demanding war crime trials, to seeking bloody revenge—convinces readers that crimes against humanity cannot be resolved by simple talk of forgiveness, or through the more common recourse to forgetfulness.

"DELIGHTFUL." --The Wall Street Journal In short mysteries so brilliantly plotted they'll confound the cleverest of souls, Inspector Morse remains as patient as a cat at a mouse hole in the face of even the most resourceful evildoers. Muldoon, for instance, the one-legged bomber with one fatal weakness

. . . the quartet of lovers whose bizarre entanglements Morse deciphers only after a beautiful woman is murdered . . . and those artful dodgers who catch the cunning and very respectful Morse with his pants down. There are mysteries featuring new characters and some familiar ones, including the great Sherlock Holmes, and a royal flush of American crooks. "BRILLIANT . . . Inspector Morse is back, and more than welcome." --Houston Chronicle "Fear not. In Dexter's dexterous hands, the short-form Morse is every bit as wily and irascible as he is in the the popular Morse novels and the long-running PBS Mystery! series." --The Raleigh News & Observer

Enlightenment ideals of a society rooted in liberationist reason and morality were trampled in the wake of the savagery of the Second World War. That era's union of cold technology and ancient hatreds gave rise to a dark, alternative reason--an ethic that was value-free and indifferent with regard to virtue and vice, freedom, and slavery. In a world where "the unthinkable" had become reality, it is small wonder that theorists would turn to the writings of a man whose eighteenth-century imagination preceded twentieth-century history in its unbridled exploration of viciousness, perversion, and monstrosity: the Marquis de Sade. Klossowski was one of the first philosophers in postwar Europe to ask whether Sade's reason, although aberrant and perverted to evil passions, could be taken seriously. Klossowski's seminal work inspired virtually all subsequent study of Sadean thought, including that of de Beauvoir, Deleuze, Derrida, Bataille, Blanchot, Paulhan, and Lacan.

The Secret of Annexe 3 is the seventh novel in Colin Dexter's Oxford-set detective series. Morse sought to hide his disappointment. So many people in the Haworth Hotel that

fateful evening had been wearing some sort of disguise – a change of dress, a change of make-up, a change of partner, a change of attitude, a change of life almost; and the man who had died had been the most consummate artist of them all . . . Chief Inspector Morse seldom allowed himself to be caught up in New Year celebrations. So the murder inquiry in the festive hotel had a certain appeal. It was a crime worthy of the season. The corpse was still in fancy dress. And hardly a single guest at the Haworth had registered under a genuine name . . . The Secret of Annexe 3 is followed by the eighth Inspector Morse book, The Wench is Dead.
