Death Troopers - Wookieepedia, the Star Wars Wiki

Death Troopers is a Star Wars novel written by Joe Schreiber. Schreiber's idea was to create a horror story in the Star Wars universe that pulled from horror movies he enjoyed such as The Shining and Alien. The novel is the first Star Wars horror story since the Galaxy of Fear series, released in the late 1990s.

A somewhat Darker and Edgier Star Wars Legends horror novel by Joe Schreiber from 2009 that utilises one of the horror genre's most beloved elements - zombies. Aboard the Imperial Prison Barge Purge, the engines break down in the middle of nowhere. The only place to repair them is a seemingly-deserted Star Destroyer nearby.

Death Troopers (Literature) - TV Tropes

Death troopers were elite stormtroopers in the Galactic Empire's military. Stormtrooper candidates who excelled at their training were reassigned to the advanced death trooper camp on Scarif. Death troopers were required to meet rigid physical and ideological standards, with height and weight standards that exceeded typical trooper averages.

Oil and water don't mix; and until Joe Schreiber's chillingly creepy novel "Death Troopers", it seemed neither did Star Wars and horror (Holiday Special aside). There was an attempt to cash in on the juvenile horror fad made famous by R.L. Stine's "Goosebumps" with the "Galaxy of Fear" series by John Whitman in the mid-1990's but those are largely forgettable.

A horror tale set in the Star Wars universe follows the harrowing experiences of the crew of an Imperial prison barge that scavenges an abandoned Star Destroyer when their own ship breaks down, a mission after which surviving team members bring back a lethal infection. Reprint. A best-selling book.

The chilling tale of the undead in a galaxy far, far away. "This is the Star Wars of every horror fan's dreams--gory, funny, and brimming with a blood-spattered cast of swashbucklers and space-zombies."--Seth Grahame-Smith, author of *Pride and Prejudice and Zombies* When the Imperial prison barge Purge--temporary home to five hundred of the galaxy's most ruthless killers, Rebels, scoundrels, and thieves--breaks down in a distant part of space, its only hope appears to lie with a Star Destroyer found drifting and seemingly abandoned. But when a boarding party from the Purge is sent to scavenge for parts, only half of them come back--bringing with them a horrific disease so lethal that within hours, nearly all aboard the Purge die in ways too hideous to imagine. And death is only the beginning. The Purge's half-dozen survivors will do whatever it takes to stay alive. But nothing can prepare them for what lies waiting aboard the Star Destroyer. For the dead are rising: soulless, unstoppable, and unspeakably hungry.

In the time immediately following the destruction of the Death Star and the years between the Battle of Yavin and the foundation of the Rebel Base on Hoth, the Empire's grip on the galaxy has become an unyielding fist of retribution. Pressed into action by Emperor Palpatine, Imperial forces have stepped up efforts to hunt down and imprison Rebel sympathizers, shipping them off to newly formed detainment moons via huge prison barges. By necessity these barges are floating chambers of degradation and vice, notoriously unreliable spacecraft staffed by Imperial corrections officers whose cruelty rivals that of the inmates. The Imperial Prison Barge Virtue is hauling its load of prisoners, criminals and murderers, human and non-human, across the galaxy, when it breaks down in deep space. Soon after, the ship's warden discovers a derelict Star Destroyer, seemingly abandoned, and sends a boarding party to scavenge parts to repair the Virtue. Half of them don't come back. The ones that do are infected with a virus so deadly that within hours, it has wiped out ninety-nine percent of the barge's population. But for the handful of survivors -- two brothers, the Virtue's female chief medical officer, and a sadistic captain of the guards, along with a

certain rogue smuggler and his Wookiee sidekick - the true horror is just begun. Because those inmates and guards who died of the virus don't stay dead...and when they come back, they're extremely hungry. Against their better judgment, the survivors take refuge aboard the massive creaking emptiness of the Destroyer, only to discover that its original population has not disappeared at all -- and that they've been waiting for them.

In a zombie horror tale set in the Star Wars universe, the Sith academy apprentices react fearfully to new outbreaks of unexplained violence, the Dark Lord's withdrawal, and a Jedi Master's efforts to rescue a hostage.

"You have a very lovely little girl," breathed the voice on the phone. And just like that, Susan Young is drawn into a living nightmare. A stranger has kidnapped Sue's daughter, Veda. But he doesn't want her money, only her suffering--and he will kill Veda if Sue doesn't follow his every command. With detailed instructions, the faceless abductor leads Sue into a blinding snowstorm on the longest night of the year, to a place she has not traveled to since childhood. The voice on the other end of the line somehow knows Sue's deepest, most chilling secret--an ominous incident from her past, buried long ago... Across the loneliest back roads of Massachusetts, in the black expanse of a New England winter, Sue is forced to confront her most awful fears as she is met at each step by ever increasing horrors created by a monster who is surely something less than human. In the hope of saving her daughter from a kidnapper whose origin seems darker than anything she could ever have imagined, Sue will discover just how much trauma and fright the human body is capable of absorbing. Set over the course of a single night, *Chasing the Dead* is a fast-paced, ferociously tense supernatural thriller. With the skill of masters like Dean Koontz and David Morrell, Joe Schreiber has created a tableau of shock and horror, death and destruction, that will draw you in and never let you go.

Darth Maul is dispatched on a secret mission to infiltrate a criminal prison empire where he must compete in gladiatorial death matches while carrying out his masters' clandestine commands.

Detective-story master Dashiell Hammett gives us yet another unforgettable read in *Red Harvest*: When the last honest citizen of Poisonville was murdered, the Continental Op stayed on to punish the guilty--even if that meant taking on an entire town. *Red Harvest* is more than a superb crime novel: it is a classic exploration of corruption and violence in the American grain.

Ferris Bueller meets La Femme Nikita in this funny, action-packed young adult novel. Its prom night and Perry just wants to stick to his own plan and finally play a much anticipated gig with his band in the Big Apple. But when his mother makes him take Gobi Zaksauskas to the prom, he never expects that his ordinary high school guy life will soon turn on its head. Perry finds that Gobi is on a mission, and Perry has no other choice but to go along for a reckless ride through Manhattan's concrete grid with a trained assassin in Dad's red Jag. Infused with capers, car chases, heists, hits, henchmen, and even a bear fight, this story mixes romance, comedy, and tragedy in a true teen coming-of-age adventure and it's not over until its au revoir. This ebook includes a sample chapter of PERRY'S KILLER PLAYLIST.

Branded as rebels and traitors, the members of the Alliance worked from the shadows, gathering information and support from across the galaxy to bring an end to the Empire's tyranny. This information has been kept hidden until now. Discovered in the ruins of an abandoned rebel base, these files have been passed among members of the Resistance, who have added notes, updates, and new insights to the documents. A repository of Alliance intelligence, *The Rebel Files* weaves together classified documents, intercepted transmissions, and gathered communications to trace the formation of the Rebel Alliance. Unlock the secrets of the Rebel Alliance!

From the mind of Joe Schreiber, New York Times bestselling author of *Star Wars: Death Troopers*, comes the delirious follow-up to last year's *Darth Plagueis*. In a tale of retribution and survival set before the events of *The Phantom Menace*, Darth Plagueis and Darth Sidious dispatch Sith apprentice Darth Maul on a secret mission to infiltrate a criminal empire operating from inside Cog Hive Seven--a hidden prison teeming with the galaxy's most savage criminals. There, he must contend against the scummiest and most villainous in gladiatorial death matches while carrying out his masters' clandestine commands. Failure is not an option; success will ignite the revenge of the Sith against the Jedi Order.
