Leadership is struggle
The question of how to
lead successfully and

Defining

responsibly is crucially important in our uncertain, high-pressure, turbulent world. In this book, Harvard Business School Professor Joseph Badaracco answers this question in practical and, at times, provocative ways. Leaders today are surrounded by what Badaracco calls “ the

hand ” —powerful,

pervasive markets that

touch and shape almost

everything. As a result,

understanding the

inevitability and

importance of struggle is

critical. And leaders

must go a step further to

create what Badaracco

calls “ the good

struggle ” in order to

meet their goals at work,

as well as their goals in life. The Good Struggle helps you meet the relentless challenges of being a leader today by identifying the most important questions you should be asking yourself. New answers to these questions can be found by watching leaders in dynamic settings, especially entrepreneurs. The
