Deutsche Soldaten is a stunning visual history of the German soldier and provides a unique reflection of how the men lived, ate, and washed themselves on the front, or behaved when at rest, what were their pastimes, ambitions, worries and how they spent their leave, through the collections of personal items and other artifacts they left behind.

It is a book about the uniforms, equipment and weapons of the German soldier in World War Two. You will not find any officer's equipment (the peaked officer cap is missing!) but only things that other ranks would have used. And then only soldiers you'd find in an Infantry Division, so no Panzermen here, nor mountain troops or paratroops.

The Bundeswehr (German: [b ð n d s v e] ()), meaning literally Federal Defence) is the unified armed forces of Germany and their civil administration and procurement authorities. The states of Germany are not allowed to maintain armed forces of their own, since the German Constitution states that matters of defense fall into the sole responsibility of the federal government.
