A tribute to the women who uphold the written and unwritten oaths of service and of marriage.

Life for our service members and their families is full of sacrifice, and the 101 stories in Chicken Soup for the Soul: Military Families pay tribute to these heroes. Anyone in military life will find inspiration, support, and appreciation in this collection of personal and grateful stories about the important role our members of the armed forces and their families play in serving our great country.

Examines the differences in the abilities of the British Army in Malaya and the United States Army in Vietnam to adapt their strategies when confronted with unexpected guerilla warfare.

Chicken Soup for the Veteran's Soul will inspire and touch any veterans and their families, and allow others to appreciate the freedom for which they fought.

The Unofficial Scoop on Military Life Whether you’re dating, engaged, or married to an active military servicemember or reservist—or you’ve just signed up yourself—you may feel as if you’ve somehow married the United States military! While there are plenty of orientation books for him, there are almost no handy, user-friendly resources for you. Meredith Leyva, a military wife and founder of CinCHouse.com, the Internet’s largest community for military wives, girlfriends, and women in uniform, details everything you need to know to manage day-to-day issues and get on with the adventure of military life. From relocation to deployment, protocol to finances, and career to kids, Leyva offers time-tested advice about: -Keeping your love life together during deployments -Relocating yourself and your family around the world -Maintaining your own career when you're expected to move every three years -Understanding what pay and benefits you're entitled to—and how to maximize them -Translating those odd acronyms and jargon Written by a seasoned military wife, this smart and savvy guide will help you take control at every point of your servicemember's career—from filing marriage papers as newlyweds to choosing prenatal and child care when you start a family to figuring out his pension when he's ready to retire.

The hallmarks of America’s War on Terror have been repeated long deployments and a high percentage of troops returning with psychological problems. Family members of combat veterans are at a higher risk of potentially lethal domestic violence than almost any other demographic; it’s estimated that one in four children of active-duty service members have symptoms of depression; and nearly one million veterans of Iraq and Afghanistan require increased care due to physical or psychological trauma. But, despite these staggering trends, civilian America has not been mobilized to take care of the families left behind; the American Homefront, which traditionally has been rallied to support the nation’s war efforts, has disappeared. In Homefront 911 Stacy Bannerman, a nationally-recognized advocate for military families, provides an insider’s view of how more than a decade of war has contributed to the emerging crisis we are experiencing in today’s military and veteran families as they battle with overwhelmed VA offices, a public they feel doesn’t understand their sacrifices, and a nation that still isn’t fully prepared to help those who have given so much. Bannerman, whose husband served in Iraq, describes how extended deployments cause cumulative, long-lasting strain on families who may not see their parent, child, or spouse for months on end. She goes on to share the tools she and others have found to begin to heal their families, and advocates policies for advancing programs, services, and civilian support, all to help repair the broken agreement that the nation will care for its returning soldiers and their families. Skyhorse Publishing, as well as our Arcade imprint, are proud to publish a broad range of books for readers interested in history—books about World War II, the Third Reich, Hitler and his henchmen, the JFK assassination, conspiracies, the American Civil War, the American Revolution, gladiators, Vikings, ancient Rome, medieval times, the old West, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Finalist for the Pulitzer Prize • One of the Washington Post Book World's 10 Best Books of the Year • Time's 10 Best Books of the Year • USA Today's Nonfiction Book of the Year • A New York Times Notable Book "Staggeringly vivid and persuasive . . . absolutely essential reading." —Michiko Kakutani, The New York Times "The best account yet of the entire war." —Vanity Fair The definitive account of the American military's tragic experience in Iraq Fiasco is a masterful reckoning with the planning and execution of the American military invasion and occupation of Iraq through mid-2006, now with a postscript on recent developments. Ricks draws on the exclusive cooperation of an extraordinary number of American personnel, including more than one hundred senior officers, and access to more than 30,000 pages of official documents, many of them never before made public. Tragically, it is an undeniable account—explosive, shocking, and authoritative—of unsurpassed tactical success combined with unsurpassed strategic failure that indicts some of America's most powerful and honored civilian and military leaders.

Where Can You Turn. . .? . . .when the bills are due, the kids are acting out, loneliness and doubt are creeping into your quiet hours—and you're handling it all alone? If your partner is in the military, these challenges may be the greatest that your relationship will ever face. Now is the time you need answers, resources, and understanding. This is the book that will give them to you. Military wife and U.S. Army veteran Shellie Vandevoorde has penned a practical, compassionate guide to help military couples cope with the separation of active deployment. Now updated and expanded, Separated by Duty, United in Love is infused with her years of experience, offering sound and comforting advice from someone who's been there. Vandevoorde explores real-life issues and shares invaluable insights on the best ways to: • Keep the lines of communication open while your partner is away • Address your children's fears as you cope with your own • Juggle finances and other household duties • Find the balance you desperately need • Cope with post-traumatic stress, injury and other challenges when a spouse returns from war • Utilize military resources and support groups to help yourself through the toughest times You are not alone. Separated by Duty, United in Love gives you the tools and the encouragement you need to help your military relationship survive—and thrive.

"It's time for an antidote to all the negativity! You'll find that in this collection of 101 inspiring stories about what makes America great. From apple pie and baseball to our military heroes and first responders, from our vast and varied country to our energy and spirit, these stories will make you proud to be an American! We live in a great country, but we can forget that sometimes amid all the negativity that surrounds us. Chicken Soup for the Soul: The Spirit of America will uplift and inspire you with its true, personal stories about the many different things that make this country great. This book will make you proud to call America home!,"--Amazon.com.

The doctrine discussed in this manual is nested with ADP 3-0, Operations, and describes the sustainment warfighting function. The endurance of Army forces is primarily a function of their sustainment and is essential to retaining and exploiting the initiative. Sustainment provides the support necessary to maintain operations until mission accomplishment. The relationship between sustainment and operation is depicted in introductory figure-1 on page vi.Sustainment must be integrated and synchronized with operations at every level to include those of our joint and multinational partners. Sustainment depends on joint and strategic links for strategic airlift, sealift, intratheater airlift, and strategic and theater-level supply support. Sustainment depends on our host nation (HN) partners to provide infrastructure and logistics support necessary to ensure both maneuver forces and followon sustainment are delivered to right place, at the right time, and in an operable condition.
