The Betta Fish or Siamese Fighting Fish hails from the Mekong basin and has featured in fish tanks and bowls for centuries despite its reputation for aggression. Today there is a wide range of colours and tail and fin shapes to delight the aquarist, and these fish are also bred very successfully in captivity, including by hobbyists. This book will introduce you to these fish by looking at the different types, discussing their

appearance and biology, typical Betta Fish behaviour, their feeding requirements, and what makes these elegant fish both fascinating and unique. It will also tell you what you need to know in order to decide whether or not this is the pet for you and, if it is, where to buy one, how to select your Betta Fish, what you need to buy before you bring it home, and how to take proper care of it. The hobbyist must know what these fish need with regards to their environment. All the necessary equipment and water and other parameters are examined as the quality of the water and the general environment has a crucial bearing on the health and happiness of Betta or Siamese fighting fish. Like all fish, the Betta is unfortunately susceptible to a number of different types of bacterial, parasitic and fungal infections and infestations. Anyone who

is serious about having a fish and a tank needs to know what to look for and how to deal with common fish ailments. This book also contains helpful information on their mating behaviour, spawning and on caring for the hatchlings or fry for those who are interested in breeding Bettas. Other areas of discussion are how to prevent fights between fish and which other species are compatible so you don't have to deal with aggression and the injuries and stress which inevitably follow fights or bullying. Covered in this book: - The basics - Choosing the right fish - Social behaviour - Buying - Equipment needed - Setting up the aquarium - Water & other parameters - Daily care - Feeding - Health - Breeding - Prices and costs and much more

In A Modern Guide to Knifemaking, survivalist Laura Zerra, one of the stars of Naked and Afraid on the Discovery Channel, shares her essential knifemaking tips and tricks, including step-by-step instructions for both forging and stock removal. We all use a knife pretty much every day, but for Zerra, her daily life often depends on the blade she takes with her into the wild. She's learned about what works and what doesn't, what steel will hold an edge, and what nuances in blade design will make or break a knife. From design to

sharpening, *A Modern Guide to Knifemaking* covers every step in the knifemaking process. To begin, you will consider what you want your knife to accomplish, develop a design, and make a prototype. Zerra takes you through choosing and buying steel for your knife and then teaches you to build your own forge. You will learn forging basics and then move on to forge the shape of your knife and make the blade tip. From there, you will cut the blade profile, grind in bevels to make the edge of the knife, heat treat and temper your blade, grind and polish it, and make a handle and sheath for it. You will also learn sharpening techniques to maintain the edge of your new knife. Throughout, Zerra has included Pro-Tips from some of the leading knifemakers working today including Ken Onion, Kaila Cumings, and Mike Jones. *A Modern Guide to*

Moving from the classroom to the field is often a daunting transition for social work students. In this new edition of their celebrated text, Kelly Ward and Robin Sakina Mama address student fears and concerns with a straightforward, adventure-based instruction method. Using interactive exercises to integrate cross-curricula content, *Breaking Out of the Box, Fourth Edition*, encourages students to gain perspective and insight as they navigate field placement and their growing careers. Previous editions of *Breaking Out of the Box* have been commended for their direct and honest approach to a wide array of concerns shared by social workers and

File Type PDF Evenflo Double Stroller Instruction Manual

students. The fourth edition returns to this mission with a new chapter on emotional intelligence written with the authors' hands-on and direct approach. The book's exercises allow students to become comfortable using vital social work tools and theories outside of the classroom. Emphasis on individual decision making within group settings fosters independent skills and confidence in addition to proficient group work and leadership skills. In *Breaking Out of the Box*, Ward and Mama prepare social work students for the full scope of their careers in the field in one crucial text.
