How long has your Goliath dominated your days and pilfered your peace? Like David, you know well the presence of Goliath. Your Goliath doesn't carry a sword or shield; he brandishes blades of unemployment, abandonment, or depression. Your giant doesn't parade up and down ancient hills; he prances through your office, your bedroom, your classroom. He brings bills you can't pay, addictions you can't resist, a past you can't shake, and a future you can't face. How long has your Goliath stalked you? Invaded your first thought of the morning and last worry of the night? David knows a little something about facing giants. The shepherd boy seemingly had little to offer against the nine-foot, nine-inch Goliath. You could read his story and wonder what God saw in him. Throughout his life, David fell as often as he stood, stumbled as often as he conquered. But for those who know the threat of a Goliath, David gives this reminder: Focus on Giants—You Stumble. Focus on God—Your Giants Tumble. Are you ready to face your giant? Let David's story inspire you. The same God who helped him will help you. Extended study guide included.

Seeks to inspire by suggesting that God can help ordinary people to overcome daily obstacles similarly to the ways in which the biblical King of Israel found guidance.

Giants plague today's church and while they may not wield spears and shields, they are fearsome, causing far too many of God's children to stumble in their walks. In Slaying the Giants in Your Life, Dr. David Jeremiah challenges us to stand valiantly against the giants that seek to terrorize today's believers. Dr. Jeremiah weaves gripping real-life stories of contemporary giant slayers who came face-to-face with their own Goliaths: temptation, doubt, procrastination, and jealousy. In each, you will discover afresh the eternal unwavering promise of God to overcome those giants.

A look at the life of David--the defeats he suffered and the victories he won as he faced the giants in his life--encourages today's teens to defeat the giants that face this generation. Original.

When Grant receives a message from an unexpected visitor, he searches for a stronger purpose for his football team. When faced with unbelievable odds, Grant and his Shiloh Eagles must rise above their fear and step up to their greatest test of strength and courage.

Our most important battles are not always with the 'giants out there'--those external challenges which we all face. The greatest battles are often within ourselves. Too often, we diminish our own potential in ministry, business, and in life. Shane Stanford and Brad Martin frame their powerful book on one of the most well-known and well-loved stories in history: David and Goliath. We all feel like the seemingly powerless, scrawny boy David sometimes. And we all must face "giants"—those challenges that threaten to overwhelm us in ministry, work-life, and in our personal lives. Five Stones is a series of clear and compelling lessons. Each lesson arms the reader with practical and powerful tools of self-discovery, so that the reader's own liabilities, opportunities, convictions, and capabilities are revealed. Like modern-day Davids, readers will leave this book empowered to conquer challenges, in ministry and in life, with clear-eyed confidence and well-grounded hope.
