A "Change in Accounting Estimate Effected by a Change in Accounting Principle" is a change in accounting estimate that is inseparable from the effect of a related change in accounting principle. An example of a change in estimate effected by a change in principle is a change in the method of depreciation, amortization, or depletion for long- lived, nonfinancial assets.

Offering students an overview of all the main concepts of accounting, this text supplements explanations of the fundamental core elements with contemporary examples and online teaching resources.

Accounting: Text & Cases, by Anthony, Hawkins, and Merchant covers both financial and managerial accounting as well as broader managerial issues. Chapters 1 -14 cover financial accounting, while Chapters 15-21 cover management accounting, and Chapters 22-28 focus on broader issues of control and corporate strategy. The approximately 120 cases that make up most of the end of chapter material are a combination of classic Harvard style cases and extended problems, with 10 completely new cases added to the 13th edition. Accounting: Text and Cases is a product of lifelong dedication to the discipline of accounting, and users of the book benefit from a breadth of experience that is sure to enrich your course and your students.

This chapter-by-chapter learning aid systematicaly and effectively helps students study college accounting and get the maximum benefit from their study time. Each chapter provides a Summary Practice Test with fill-in-the-blanks, multiple choice, and true/false problems AND solutions to al the questions, and the Working Papers Working Papers contain tailor-made spreadsheets to al end-of-chapter problems.

Earn the grade you want in your course with the help of this invaluable tool. This Study Guide lists key learning objectives for each chapter, outlines key sections, provides self-test questions, and offers a set of problems similar to those in the text and Test Bank with fully worked-out solutions.
