*A New York Times Book Review Editors' Choice * One of The East Hampton Star's 10 Best Books of the Year* From the New York Times bestselling author of The Most Dangerous Book, the true story behind the creation of another masterpiece of world literature, Fyodor Dostoevsky's Crime and Punishment. The Sinner and the Saint is the deeply researched and immersive tale of how Dostoevsky came to write this great murder story—and why it changed the world. As a young man, Dostoevsky was a celebrated writer, but his involvement with the radical politics of his day condemned him to a long Siberian exile. There, he spent years studying the criminals that were his companions. Upon his return to St. Petersburg in the 1860s, he fought his way through gambling addiction, debilitating debt, epilepsy, the deaths of those closest to him, and literary banishment to craft an enduring classic. The germ of Crime and Punishment came from the sensational story of Pierre François Lacenaire, a notorious murderer who charmed and outraged Paris in the 1830s. Lacenaire was a glamorous egoist who embodied the instincts that lie beneath nihilism, a western-influenced philosophy inspiring a new generation of Russian revolutionaries. Dostoevsky began creating a Russian incarnation of Lacenaire, a character who could demonstrate the errors of radical politics and ideas. His name would be Raskolnikov. Lacenaire shaped Raskolnikov in profound ways, but the deeper insight, as Birmingham shows, is that Raskolnikov began to merge with Dostoevsky. Dostoevsky was determined to tell a murder story from the murderer's perspective, but his character couldn't be a monster. No. The murderer would be chilling because he wants so desperately to be good. The writing consumed Dostoevsky. As his debts and the predatory terms of his contract caught up with him, he hired a stenographer to dictate the final chapters in time. Anna Grigorievna became Dostoevsky's first reader and chief critic and changed the way he wrote forever. By the time Dostoevsky finished his great novel, he had fallen in love. Dostoevsky's great subject was self-consciousness. Crime and Punishment advanced a revolution in artistic thinking and began the greatest phase of Dostoevsky's career. The Sinner and the Saint now gives us the thrilling and definitive story of that triumph.

The first book in #1 New York Times Bestselling Author Jodi Ellen Malpas' Smoke & Mirrors Duology following the scandal of a rebellious British princess who falls in love with a Hollywood actor.

FROM THE #1 BESTSELLING AUTHOR OF THE THIS MAN TRILOGY.... What do you do when you can't control your feelings for someone? When you know you shouldn't go there? Not even in your head. Annie has never experienced the 'spark' with a guy-the kind of instant chemistry that steals your breath and blindsides you completely. Until a night out with friends brings her face to face with the wickedly sexy and mysterious Jack. It's not just a spark that ignites between them. It's an explosion. Jack promises to consume Annie, and he fully delivers on that promise. Overwhelmed by the intensity of their one night together, Annie slips out of their hotel room. She is certain that a man who's had such a powerful impact on her and who could bend her to his will so easily, must be dangerous. But she's already in too deep. And Jack isn't only dangerous. He is forbidden.

When he is granted a wish by the Devil, Abraham Stirling, Lord Rothwell, finds himself magically bound to Valeria Livia Corva, a ghostly priestess who convinces him to become a warrior again in order to save London from burning.

THE ONE THING HE CANNOT REVEAL For years, Melisande Fleming has loved Lord Vale from afar . . . watching him seduce a succession of lovers, and once catching a glimpse of heartbreaking depths beneath his roguish veneer. When he's jilted on his wedding day, she boldly offers to be his. TO THE ONE WOMAN HE MOST DESIRES Vale gladly weds Melisande, if only to produce an heir. But he's pleasantly surprised: A shy and proper Lady by day, she's a wanton at night, giving him her body-though not her heart. IS HIS DEEPEST NEED . . . Determined to learn her secrets, this sinner starts to woo his seductive new wife-while hiding the nightmares from his soldiering days in the Colonies that still haunt him. Yet when a deadly betrayal from the past threatens to tear them apart, Lord Vale must bare his soul to the woman he married . . . or risk losing her forever.

A breathtaking novel from the #1 New York Times bestselling author of the This Man trilogy. ONE NIGHT WILL NEVER BE ENOUGH . . . Livy notices him the moment he walks into the coffee shop. Then she finds the note he left on his napkin . . . signed M. All he wants is one night to worship her. No feelings, no commitment, nothing but pleasure. Every defense mechanism Livy has adopted during her solitary life is at risk of being obliterated by this confounding man. He's obnoxious but well-mannered. He's a gentleman but aloof. He's passionate but emotionless. Yet the fascination is so powerful, Livy can't deny him . . . or herself. M awakens something in Livy, something deep and addictive that she never knew existed-and that she fears only he can satisfy. But she senses that behind the fast cars, fancy suits, and posh apartment, he's aching inside. To have him, body and soul, she'll have to brave his dark secrets. Delving into his world and breaking down his defenses become her obsession-an obsession that could shatter her heart beyond repair . .
