Anne Boleyn is thrilled with the prospects of a new adventure when her father is assigned the mission of spying on the French court and her sister Mary is given the task of allowing herself to be seduced by the king of France in order to uncover his secrets.

From the author of *The Secret Diary of Anne Boleyn* comes a riveting portrait of Anne Boleyn's youth and her unconventional education in the court of the King of France. When her father is assigned the task of spying on the French Court, the charming and sweetly innocent Anne Boleyn is delighted by the thought of a new adventure. And she is not to be disappointed, for her beautiful sister, Mary, has been handed a mission: to let herself be seduced by the King of France in order to uncover his secrets. Mesmerized by the thrilling passion, intrigue, and betrayal that unfolds, Anne discovers the power of being a woman who catches the eye of a powerful king. And, as she grows into a beautiful young woman, she undergoes her own sexual awakening, each daring exploit taking her one step closer to the life that is her destiny.

Upon her coronation as Queen, Elizabeth I receives her mother Ann Boleyn's diary and learns of her love for her and her torment at the hands of Henry VIII

Chronicles the adventures of Arthur Dudley, the illegitimate son of Elizabeth I and Robin Dudley, Earl of Leicester--a child presumed dead by his real parents who learns his true identity upon the death of his adoptive father.

An enchanting novel on the life and origins of Leonardo da Vinci's mother, as imagined by the author of the "absolutely superb" (*Diane Haeger*, author of *The Secret Bride*) *Mademoiselle Boleyn*. A young woman named Caterina was only fifteen years old in 1452 when she bore an illegitimate child in the tiny village of Vinci. His name was Leonardo, and he was destined to change the world forever. Caterina suffered much cruelty as an unmarried mother and had no recourse when her boy was taken away from her. But no one knew the secrets of her own childhood, nor could ever have guessed the dangerous and heretical scheme she would devise to protect and watch over her remarkable son. This captivating novel imagines the story of Caterina—the brilliant young woman, the adventurer, the alchemist—during the fascinating period of the Renaissance.

A look at the future queen of England between the ages of nine and seventeen when she lived in France and was befriended by Queen Claude, the brilliant Marguerite of Savoy, the clever but lecherous Francois I, and even Leonardo da Vinci.

Now in paperback, Maxwell's third--and bestselling--fictional re-creation of the royal intrigues of Tudor England features a young Elizabeth I falling under the spell of a charming and dangerously ambitious political schemer.

In 1483, Edward and Richard of York—Edward, by law, already King of England—were placed, for their protection before Edward's coronation, in the Tower of London by their uncle Richard. Within months the boys disappeared without a trace, and for the next five hundred years the despised Richard III was suspected of their heartless murders. In *To the Tower Born*, Robin Maxwell ingeniously imagines what might have happened to the missing princes. The great and terrible events that shaped a kingdom are viewed through the eyes of quick-witted Nell Caxton, only daughter of the first English printer, and her dearest friend, "Bessie," sister to the lost boys and ultimate founder of the Tudor dynasty. It is a thrilling story brimming with mystery, color, and historical lore. With great bravery and heart, two friends navigate a dark and treacherous medieval landscape rendered more perilous by the era's scheming, ambitious, even murderous men and women who will stop at nothing to possess the throne.

This biography reconstructs the life of the second wife of Henry VIII, drawing on scholarly studies and critical analysis to define an English queen who has been alternately viewed as a whore, martyr, feminist icon and cautionary tale over the centuries.

The daughters of a ruthlessly ambitious family, Mary and Anne Boleyn are sent to the court of Henry VIII to attract the attention of the king, who first takes Mary as his mistress, in which role she bears him an illegitimate son, and then Anne as his wife. Reprint. 250,000 first printing. (A Columbia Pictures film, written by Peter Morgan, directed by Justin Chadwick, releasing Fall 2007, starring Natalie Portman, Scarlett Johansson, Eric Bana, and others) (Historical Fiction)
