Aristotle's "Nicomachean Ethics" - Book VIII Money And Morality

What do money and morality have to do with each other? What are the ethics of business? What obligations do corporations have to society as a whole? Was the recent financial meltdown a result of immoral behavior? In this edition of Philosophy Talk, John and Ken delve into these questions with the help of a live audience and guest Neil Malhotra ...

Money and Morality | Philosophy Talk

Writing recently in The Nation, Chris Hayes drew an intensely unnerving parallel between the use of fossil fuels as an energy source and the use of slave labor -- not a moral parallel, but a financial one, though money and morality have a perversely symbiotic relationship. Where there's money to be made -- especially enormous quantities of it -- moral justifications come awfully cheap.

Money and Morality | HuffPost

A study by researchers at Harvard and the University of Utah finds that the simple idea of money makes people more likely to subordinate their ethical standards. How Money Affects Morality - The...

How Money Affects Morality - The New York Times

Moral by default, money by deliberation The researchers found that people have a moral preference for supporting good causes and not wanting to support harmful or bad causes. However, depending on...

Morals versus money: How we make social decisions ...

Notions of money, debt and morality have a long history together (see Graeber and Atwood). Money and the desire for it is usually connected with greed and immorality like in the often paraphrased "The love of money is the root of all evil" from the New Testament book 1 Timothy.

Money and Morality | New Economic Perspectives

Money has a place, of course, but we must keep it in its place and not allow it to dominate our lives in such a manner that we lose all our bearings and become its slaves. Money was made to serve people, not the other way around. Unfortunately, we have allowed money to become the master and override all other moral, ethical and ecological values.

Resurgence \ Article - Money and Morality

All money tends to corrupt, and absolute money corrupts absolutely. This is an ancient message. You can find it in the Bible ("the love of money is the root of all evil"), in the writings of ancient Greek philosophers and Renaissance moralists, and more recently in the Occupy movement that set up camp last year outside St Paul's Cathedral.

Money and morality - New Statesman

Money on your mind shifts your focus to the immediate reward of more dough, which can throw off your moral compass, says study lead author Francesca Gino, Ph.D. A similar study found that by...

Money's Effects on Morals and Happiness

Suddenly, conservatives are telling us that it's not really about money; it's about morals. Never mind wage stagnation and all that, the real problem is the collapse of working-class family values,...

Opinion | Money and Morals - The New York Times

Donating to charity goes into morals. Being a billionaire, money just sits around in your bank account. Believe it or not, there are people who have maybe \$5 in their bank account. You probably haven't seen them, but they exist. Look up a picture of a malnourished child living in poverty.

What is more important, money or moral value? - Quora

Money, the Business with Trust, and an Affinity with Morality The eye has never seen, nor the hand touched a dollar. All that we can touch or see is a promise to pay or satisfy a debt. --Alfred Mitchell-Innes, "The Credit Theory of Money" (1914)

Money and Morality: A Matter of Misinterpretation. - Free ...

Money has taken on a mystical, Lord of the Rings-ish quality where the only way to escape its power is not to have any. But it's only precious

as a social currency, and should be seen and...

Your money and morality can't lead separate lives | Zoe ...

Money and the Morality of Exchange. This collection is concerned with the symbolic representation of money in a range of different societies, and more specifically with the moral evaluation of monetary and commercial exchanges.

Money and the Morality of Exchange by J. Parry

Looking beneath the surface of seemingly ordinary social interactions, *The Moral Power of Money* investigates the forces of power and morality at play, particularly among the poor. Drawing on fieldwork in a slum of Buenos Aires, Ariel Wilkis argues that money is a critical symbol used to negotiate not only material possessions, but also the political, economic, class, gender, and generational bonds between people.

The Moral Power of Money: Morality and Economy in the Life ...

This volume deals with the way in which money is symbolically represented in a range of different cultures from South and South-East Asia, Africa, Oceania and South America. More especially, it is concerned with the moral evaluation of monetary and commercial exchanges as against exchanges of other kinds.

Money and the Morality of Exchange: 9780521367745 ...

Money rests on the axiom that every man is the owner of his mind and his effort. Money allows no power to prescribe the value of your effort except the voluntary choice of the man who is willing to trade you his effort in return.

The Economics, Politics and Morality of Fiat Money: An ...

Money provides a constant source of conflict and preoccupation in the Younger household. Within moments of the play's opening, Walter Lee asks Ruth, "Check coming today?" in reference to the insurance payment that his mother, Lena, is due to receive as a result of her husband's death. The members of the Younger family view money in different ways, with Mama, Beneatha, and Ruth imagining ...
