Macdonald used the real Odette's auto- biography as the basis for this book, and her free-verse narrative is charming and effective. Although Odette's age is never given, her youthful perspective and the overall nonspecificity about the war, make the book best suited to readers on the younger end of the target audience. Ages 10☑14.

Maryann Macdonald's *Odette's Secrets* is a fictional retelling of a young Jewish girl's life in hiding during the Nazi occupation of France. This middle-grade historical fiction novel brings little new to the genre of Holocaust fiction, but is a strong introduction to the topic in the same tradition as classics such as *When Hitler Stole Pink Rabbit*, or *Number the Stars*.

On the surface, Odette leads the life of a regular girl, going to school, doing chores, even attending Catholic masses with other children. A picture book with minimal text and maximum impact, as portrayed through both the well-chosen words and the fun-filled, evocative illustrations.

Painter and sculptor Rosa Bonheur (1822–1899) led a highly nontraditional life, especially for a woman in the nineteenth century. She kept lions as pets, was awarded the Legion of Honor by Empress Eugénie, and befriended “Buffalo Bill” Cody. She became a painter at a time when women were often only reluctantly educated as artists. Her unconventional artistic work habits, including visiting slaughterhouses to sketch an animal’s anatomy and wearing men’s clothing to gain access to places like a horse fair, where women were not allowed, helped her become one of the most beloved female painters of her time. Among the artworks discussed are *The Horse Fair* and *Ploughing in the Nivernais*. Along with her life story are a list of museums that house her work, a bibliography, and an index.

A cozy Nativity story for those who love Christmas and cats. All babies are beautiful and all babies cry. Jesus was no exception. On the night he was born, nothing Mary, Joseph, or the animals in the stable could do would comfort him. But when a curious kitten wanted its turn to calm the baby Jesus, a loving friendship blossomed on that very first Christmas. This perfect read-aloud was inspired by Leonardo da Vinci's drawings of *La Madonna del Gatto*, which show Mary lovingly holding the baby Jesus who is cuddling a cat.

The reader is invited to consider some things about when, who, and how to hug and also advised to be prepared to receive one in return.

Children and grandmothers love playing together, eating together—just being together. Every time is a special time, for both. This book captures the special moments without sentimentality, but with warmth and love.
