They were far away. They had been coercively separated. Half a world apart. He was in india, while she in US. Some say that long distance relationships do not work. They knew just one thing: love works. And they possessed just one asset: hope, It worked for them, even without hearing each other's voice for months, even without seeing each other's face for almost half a year. Six months later, she was coming back to india for just a week. Their excitement touched the pinnacle of joy, in hope that their timeless wait was going to be over the moment they would behold each other's light. But something happens. Love fails. Hope survives. Or vice-versa? What happens next ? Come and find out yourself in the continuing story of Kanav and Tanya...

Oops! 'I' Fell In Love is a funny Indian college love story. This modern time love story was written by Harsh Snehanshu. The story is about how love is possible between not only people of different cities but of different personalities as well. In this story, Kanav Bajaj is a new hopeful engineering student at IIT-Delhi from a small town in Indore. Since he was from a small town, the big metropolitan city was intimidating him and he struggles to fit in. He being a shy and studious boy falls in love with the unlikely Tanya, who is completely opposite in nature compared to him. She is a cheerful girl from LSR, Delhi. Snehanshu also includes a few more interesting characters such as Kanav's friends Aryan, Anuj and Sameer, who add life to the story. Will Kanav and Tanya have a beautiful love story in IIT-Delhi amidst the social, college and parental pressures or will their differences keep them apart? This is an interesting love story written in a witty style by Harsh Snehanshu. The story promises twists and turns in their relationship. Oops! 'I' Fell In Love was published by Srishti Publishers in 2009 which is now available in paperback. Key Features Author of Oops! I Fell In Love Harsh Snehanshu is a graduate of IIT-Delhi. His experience gives the story a more realistic feel. The other stories in this trilogy are Ouch! That 'Hearts' and She's Single, I'm Taken have already been released.

NAMED A BEST BOOK OF 2017 BY THE BOSTON GLOBE AND THE SAN FRANCISCO CHRONICLE "So filled with vivid descriptions and complex characters that the reader's experience is virtually cinematic. . . Utterly compelling." – The Washington Post A spellbinding story about two gifted orphans – in love with each other since they can remember – whose childhood talents allow them to rewrite their future. *The Lonely Hearts Hotel* is a love story with the power of legend. An unparalleled tale of charismatic pianos, invisible dance partners, radicalized chorus girls, drug-addicted musicians, brooding clowns, and an underworld whose economy hinges on the price of a kiss. In a landscape like this, it takes great creative gifts to thwart one's origins. It might also take true love. Two babies are abandoned in a Montreal orphanage in the winter of 1914. Before long, their talents emerge: Pierrot is a piano prodigy; Rose lights up even the dreariest room with her dancing and comedy. As they travel around the city performing clown routines, the children fall in love with each other and dream up a plan for the most extraordinary and seductive circus show the world has ever seen. Separated as teenagers, sent off to work as servants during the Great Depression, both descend into the city's underworld, dabbling in sex, drugs and theft in order to survive. But when Rose and Pierrot finally reunite beneath the snowflakes – after years of searching and desperate poverty – the possibilities of their childhood dreams are renewed, and they'll go to extreme lengths to make them come true. Soon, Rose, Pierrot and their troupe of clowns and chorus girls have hit New York, commanding the stage as well as the alleys, and neither the theater nor the underworld will ever look the same. With her musical language and extravagantly realized world, Heather O'Neill enchants us with a novel so magical there is no escaping its spell.

In the first of a dazzling new romantic trilogy, one woman's courageous search plunges her into a millennia-old supernatural war--and an irresistible passion. . . Nurse Kayla Friday has dedicated her life to science and reason. But for her, Seattle is a place of eerie loss and fragmented, frightening memories. And now the only clue to her sister's murder reveals a secret battle between two ancient mythologies. . .and puts Kayla in the sights of lethally-sexy werewolf mercenary Hart. He'll do whatever it takes to obtain the key to the Gate of the Land of the Dead and free what's left of his soul. But seducing the determined Kayla is putting them at the mercy of powerful desires neither can control. And as the clock ticks down to hellish catastrophe, the untested bond between Kayla and Hart may lead to the ultimate sacrifice.

Part of the new Exclamation series, this book proves that laughter is truly the best medicine. Full of humor and hope, Ouch! contains stories and quotes that are like Band-Aids for the soul. It soothes the rough spots on the bumpy road of life and gives expression to the exclamations of life!

No one can save her. In order to protect Prince Lucien d'Malvane's heart, Zera had to betray him. Now, he hates the sight of her. Trapped in Cavanos as a prisoner of the king, she awaits the inevitable moment her witch severs their magical connection and finally ends her life. But fate isn't ready to give her up just yet. With freedom coming from the most unlikely of sources, Zera is given a second chance at life as a Heartless. But it comes with a terrible price. As the king mobilizes his army to march against the witches, Zera must tame an elusive and deadly valkerax trapped in the tunnels underneath the city if she wants to regain her humanity. Winning over a bloodthirsty valkerax? Hard. Winning back her friends before war breaks out? A little harder. But a Heartless winning back Prince Lucien's heart? The hardest thing she's ever done. The Bring Me Their Hearts series is best enjoyed in order. Reading Order: Book #1 Bring Me Their Hearts Book #2 Find Me Their Bones Book #3 Send Me Their Souls

From the celebrated author of Rubyfruit Jungle and Bingo comes a stirring novel of the Civil War, a tale of true love and mistaken identity. Brimming with colorful characters and vivid settings, High Hearts is Rita Mae Brown at her most ambitious and entertaining. April 12, 1861. Bright, gutsy and young, Geneva Chatfield marries Nash Hart in Albemarle County, Virginia, the same day Fort Sumter's guns fire the start of the Civil War. Five days later she loses him as Nash joins the Confederate Army. Geneva, who is known as the best rider since Light Horse Harry Lee, cuts her hair, dons a uniform, enlists as "Jimmy Chatfield," then rides off to be with her beloved Nash. But sensitive Nash recoils in horror from the violence of war, while Geneva is invigorated by the chase and the fight. Can she be all the man her husband isn't? She'll sure as hell try. But there is a complication, and his name is Major "Mars" Vickers. This macho major, to his own shock and amazement, finds himself inexplicably attracted to the young soldier named "Jimmy." And this is only the beginning of a novel that moves with sureness and grace from the ferocity of battle to the struggle on the homefront, and brings passion and sly humor to a story of dawning love. High Hearts is a penetrating, delightful and sweeping tale that gives fresh life to a fascinating time.

Robyn Schneider's The Beginning of Everything is a witty and heart-wrenching teen novel that will appeal to fans of books by John Green and Ned Vizzini, novels such as The Perks of Being a Wallflower, and classics like The Great Gatsby and The Catcher in the Rye. Varsity tennis captain Ezra Faulkner was supposed to be homecoming king, but that was before—before his girlfriend cheated on him, before a car accident shattered his leg, and before he fell in love with unpredictable new girl Cassidy Thorpe. As Kirkus Reviews said in a starred review, "Schneider takes familiar stereotypes and infuses them with plenty of depth. Here are teens who could easily trade barbs and double entendres with the characters that fill John Green's

novels." Funny, smart, and including everything from flash mobs to blanket forts to a poodle who just might be the reincarnation of Jay Gatsby, *The Beginning of Everything* is a refreshing contemporary twist on the classic coming-of-age novel—a heart-wrenching story about how difficult it is to play the part that people expect, and how new beginnings can stem from abrupt and tragic endings.
