The Introductory Pages have been added to the beginning of each theme to give lower-level students a basic overview of key vocabulary words, and to give a starting point for discussion and an introduction to thetheme for more advanced students. The Story Pages consist of a two-page spread at the end of each theme to help students use the words in context and practise their reading skills. The OPD English/Chinese is designed for use both in and out of the classroom. Speaking exercises are presented throughout the OPD to allow students to practise new vocabulary in pairs or small groups, while the pronunciation guide in the index allows students to check their pronunciation when theyare studying on their own.
