For 1700 years the Trinity has been considered the cornerstone of Christianity by all mainstream churches. But the Bibles words for God, appearing thousands of times, never mean a triune God. The concept of the Trinity has been taught to churchgoers based solely on implication and inference. The truth is, the Scriptures dont support the doctrine of the Trinity, but it has been indoctrinated into the minds of otherwise intelligent and well-educated Christians and perpetuated as a mystery not meant to be understood. The majority of Christians have not bothered to investigate the doctrine for themselves, and consequently have been duped. Ms. Lackey suggests that far too many Christians attend church with the attitude: Tell me, pastor, what do I believe today? Ms. Lackey expressed her resentment at being accused of being a heretic, not being a Christian, and being condemned to hell because of her strong belief in the human Jesus, the Messiah and Son of God, as opposed to being the one Almighty God. Her strong conviction led her to collaborate with biblical Unitarian authors to create a book that challenges the centuries-old man-made doctrines of the Trinity, the mainstay of ecclesiastical tradition. Ms. Lackey sees the Trinity as blight on the true Christianity taught by Jesus Christ for the benefit of humanity and feels Trinitarian Christians have traded Hebrew theology for Geek mythology with barely a question asked. She further contends that the majority of Christians believe in the Trinity primarily because they are expected to! Not to accept this dogma would place them under condemnation from both their brethren and the clergy. Ms. Lackey invites churchgoers everywhere to consider that they may have been drawn into a thinly veiled polytheism a belief in more than one God. She adamantly contends that Christians must take more responsibility for their beliefs and stop settling for centuries-old, creeds and doctrines as scriptural truth! The cover illustration depicts the agony experienced by Michael Servetus, a brilliant Spanish physician and theologian, who as one of the first Protestants to challenge the Trinity, was slowly burned at the stake in 1553, his book fastened to his thigh, at the instigation of the Protestant reformer John Calvin.

You don't know me, but I know about you.... I can't make you live longer. I can't stop you from hurting. But I can give you one wish, as someone did for me. It's hard for Anne Wingate and her father to accept the doctors' diagnosis: Anne is HIV positive. Seven years earlier, before blood screening was required, Anne received a transfusion to save her life, and the blood was tainted. Now Anne must deal with the inevitable progression of her condition.

When an anonymous benefactor promises to grant a single wish with no strings attached, Anne decides to spend the summer on a ranch out west and live as normally as she possibly can. The summer seems even better than she dreamed, especially after she meets Morgan. But Anne hasn't confided in Morgan about her condition, and when her health begins to deteriorate, she suddenly leaves the ranch. Is there time for Anne and Morgan to meet again?

They're in a war for control of the streets, but love will be the ultimate prize. Here comes trouble... Men. Women. Drugs. Dima Zhirkov's favorite things. Add in the element of danger and he should be right as rain. But not today. It's not working, hasn't for a long time. He's grasping at the flimsiest of straws to prove he's indeed strong enough to run his streets. Until he sets eyes on him. In the midst of a room full of strangers, Dima is drawn to a man as cold and dangerous as he is beautiful. Captivated, Dima embarks on a ruthless campaign to get his new toy into bed. Here comes the danger... Xavier "X" Storm is content to pull the strings while someone else handles the day to day dealings of his gang, The Rude Boys. He's after what Dima holds closest-the Coney Island streets. He contracts out the job of killing the Russian, except Dima isn't that easy to kill. When he suddenly shows up in X's path, tempting him to indulge in the dirtiest play, he finds Dima isn't all that easy to shake, either. His cocky attitude and rough submission tempts X to go where he'd vowed to never return, and they plunge head first into an affair fueled by possessive obsession. Run for cover Sex and pain Dima can handle, and X delivers the most depraved kind. Their connection is explosive, their games addictive, but Dima can end it whenever he wishes. He doesn't see that X is breaking him down, giving Dima everything he wants and even more than he ever thought to need. By the time he realizes who X is and what he wants, Dima is raw and bullet riddled. It's run or fight. And Dima doesn't back down. Neither does X. Warning: Includes strong BDSM elements.

It may have started as a role... but he's not acting anymore. Christian Romanov has a problem—and a solution. Between his image problem and the blackmail photographs hanging over his head, his agent's idea to find a small-town girl to be seen with sounds good. Zoe Ambrose is a lot less excited by his enthusiastic pursuit. For one, he doesn't even remember her. But that one-night stand was unforgettable. And so is every subsequent encounter. However, convincing her his past won't dictate their future may be the hardest role he's ever played.
