Time Line of Philippine History

The Philippines is a republic with a presidential form of government wherein power is equally divided among its three branches: executive, legislative, and judicial. The government seeks to act in the best interests of its citizens through this system of check and balance.

About the Government - GOV.PH - Government of the Philippines

Between 1946 and 1972, democracy struggled under the weight of elite competition and avarice, flawed economic policymaking, poor governance, and armed insurgency. In 1972, then president Ferdinand Marcos declared martial law, and until 1986 democracy was dispensed with in favor of a dictatorship.

Philippine Politics Under Duterte: A Midterm Assessment...

Long before the Spaniards came to the Philippines, Filipinos had a civilization of their own. This civilization partly came from the Malay settlers and partly from their response to the new environment. Many of these customs and traditions, government and way of life, have come down to the present day, despite the changes brought about by westernization and modernization.
