Manhattan fourteen-year-old. Next minute she's heir to the throne of Genovia, being trailed by a bodyguard, taking princess lessons with her uncontrollable old grandmere, and having a makeover with someone called Paolo. Well, her dad can lecture her till he's royal blue in the face, but no way is Mia going to turn herself into a style-queen. And they think she's moving to Genovia? Er, hello? Meg Cabot's *The Princess Diaries* inspired the feature film starring Anne Hathaway and Julie Andrews. This beloved series continues in the second book, *A Royal Disaster*.

A brand-new 48-page *Princess Diaries* story continues the adventures of Mia Thermopolous as she learns the ropes as Princess of Genovia.

Genovia for the perfect present Every year, Princess Mia spends the holidays in Genovia with Grandmère. This year, she's looking forward to the most perfect Christmas ever: her boyfriend, Michael, and her best friend, Lilly, are coming to Genovia, too. But even a princess's plans can go awry. Lilly has a lot to learn about palace protocol, and with all the state holiday functions Mia must attend, there's no time to linger under the mistletoe with Michael. Worst of all, Mia hasn't been able to find him the perfect gift. Can Mia stop her (bah-hum)bugging long enough to see that the perfect present has nothing to do with international express courier -- and everything to do with real love? (Though some shiny silver ribbon never hurts ...)

In a series of humorous diary entries, a New York City ninth grader agonizes over her love life, final exams, and future role as the princess of Genovia.

From the #1 New York Times bestselling author of the Princess Diaries series, comes the very first adult installment, which follows Princess Mia and her Prince Charming as they plan their fairy tale wedding—but a few poisoned apples could turn this happily-ever-after into a royal nightmare. For Princess Mia, the past five years since college graduation have been a whirlwind of activity, what with living in New York City, running her new teen community center, being madly in love, and attending royal engagements. And speaking of engagements. Mia's gorgeous longtime boyfriend Michael

managed to clear both their schedules just long enough for an exotic (and very private) Caribbean island interlude where he popped the question! Of course Mia didn't need to consult her diary to know that her answer was a royal oui. But now Mia has a scandal of majestic proportions to contend with: Her grandmother's leaked "fake" wedding plans to the press that could cause even normally calm Michael to become a runaway groom. Worse, a scheming politico is trying to force Mia's father from the throne, all because of a royal secret that could leave Genovia without a monarch. Can Mia prove to everyone—especially herself—that she's not only ready to wed, but ready to rule as well?
