Principles of Marketing, helps students understand how to create value, build customer relationshipsand master key marketing challenges. The the8th Edition has been thoroughly revised to reflect the major trends impacting contemporary marketing. Packed withexamples illustrating how companies use new digital technologies to maximize customer engagement and shape brand conversations, experiences, and communities

Revised edition of the authors' Principles of marketing. Today's marketing challenge is to create vibrant, interactive communities of consumers who make products and brands a part of their daily lives. To help students understand how to create value and gain loyal customers, Principles of Marketing presents fundamental marketing information in a comprehensive format, organized around an innovative customer-value framework. New coverage in every chapter of this edition shows how companies and consumers are dealing with marketing and today's uncertain economy. Starting with a major new section in Chapter 1 and continuing with new sections, discussions, and examples integrated throughout the text, this edition shows how marketers must focus on creating customer value and sharpen their value propositions to serve the needs of today's more frugal consumers.

A Down-to-Earth Approach James Henslin shares the excitement of sociology in Essentials of Sociology: A Down-to-Earth Approach, 11/e. With his acclaimed "down-to-earth" approach and personal writing style, the author highlights the sociology of everyday life and its relevance to students' lives. With wit, personal reflection, and illuminating examples, Henslin stimulates students' sociological imagination so they can better perceive how the pieces of society fit together. In addition to this trademark down-to-earth approach, other distinctive features include: comparative perspectives, the globalization of capitalism, and visual presentations of sociology. MySocLab is an integral part of the Henslin learning program. Engaging activities and assessments provide a teaching a learning system that helps students see the world through a sociological lens. With MySocLab, students can develop critical thinking skills through writing, explore real-world data through the new Social Explorer, and watch the latest entries in the Core Concept Video Series. Revel from Pearson is a new learning experience designed for the way today's students read, think, and learn. Revel redesigns familiar and respected course content and enriches it for today's students with new dynamic, rich-media interactives and assessments. The result is improved student engagement and improved learning. Revel for Henslin will be available for Fall 2014 classes. This program will provide a better teaching and learning experience-for you and your students. It: Personalizes Learning with MySocLab: MySocLab is an online homework, tutorial, and assessment program. It helps students prepare for class and instructor gauge individual and class performance. Explores a A Down-to-Earth Approach: This title highlights the sociology of everyday life and its relevance to students' lives. Improves Critical Thinking: Features throughout help build critical thinking skills. Understands Social Change: An important theme of the text, social change over time, examines what society was previously like, how it has changed, and what the implications are for the present and future. ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.

'Principles of Marketing' is organized around an innovative customer-value and customer-relationship framework. "In a fast-changing, increasingly digital and social marketplace, it's more vital than ever for marketers to develop meaningful connections with their customers. Principles of Marketing helps students master today's key marketing challenge: to create vibrant, interactive communities of consumers who make products and brands an integral part of their daily lives. To help students understand how to create value and build customer relationships, Kotler and Armstrong present fundamental marketing information within an innovative customer-value framework. Thoroughly revised to reflect the major trends impacting contemporary marketing, the 17th Edition is packed with stories illustrating how companies use new digital technologies to maximize customer engagement and shape brand conversations, experiences, and communities." --
