The Solutions 2nd Edition Workbook supports the Student's Book content with plenty of extra practice and revision.

Lesson-per-page structure which is easy to use and saves valuable preparation time Teen-interest topics and personalized activities appeal to young learners Every lesson has an outcome: 'I CAN' statements at the top of each page build confidence by showing students what they will progressively achieve Speaking is integrated into all lessons to give students constant opportunities to speak Students get masses of practice from the Student's Book, Workbook, MultiROM, photocopyables, and the Student's website Build your students' confidence and improve their exam grades through an exam page at the end of every unit, and an interactive practice test on oxfordenglishtesting.com

Speakout is a comprehensive English course that helps adult learners gain confidence in all skills areas using authentic materials from the BBC. With its wide range of support material, it meets the diverse needs of learners in a variety of teaching situations and helps bridge the gap between the classroom and the real world.

With 100% new content, the third edition of Oxford's best-selling secondary course offers the tried and trusted Solutions methodology alongside fresh and diverse material that will spark your students' interest and drive them to succeed. Oxford University Press's best-selling course for teenagers is now available in a third edition, providing new and exciting content that is delivered using the successful methodology of the previous editions. The third edition offers a brand new comprehensive listening syllabus as well as word skills lessons, allowing students to master key listening sub skills,

expand their vocabulary, and become confident communicators. Solutions turns all students into active learners, by offering a rich variety of learning opportunities for a whole range of abilities through extension and revision activities in all components - giving everyone a sense of achievement whatever their level.

The Solutions 2nd Edition Teacher's Book provides a comprehensive package to support Solutions teachers, and is perfect for mixed-ability classrooms.

The Workbook offers plenty of extra practice, revision, and reviews. Mirroring the Student's Book content, with the same clear structure, it provides extra reading and writing practice opportunities for both weaker and stronger students. The Writing Bank at the back of the book gives a quick guide to text types, with model structures and key language as well as exam strategies, plus a Functions Bank for functional phrases for speaking and writing. There is plenty of exam practice in the Get Ready for your Exam sections and these, along with the Self-Check pages after each unit and the review sections at the back of the books, allow students and their teachers to keep track of their progress as they work towards their exams. The accompanying Audio CD offers students a huge amount of listening practice. There are audio recordings for tasks in every lesson (not only for the Vocabulary & Listening lessons).

A split edition of Oxford's best-selling secondary course developed for language schools teaching teen learners in the UK and Ireland. Solutions offers a tried and trusted methodology alongside fresh and diverse material that will spark your students' interest and drive them to succeed.
