as well as what to write, to improve their chances of having their articles accepted for publication in international, peer reviewed journals. The book is designed for scientists who use English as a first or an additional language; for research students and those who teach them paper writing skills; and for early-career researchers wanting to hone their skills as authors and mentors. It provides clear processes for selecting target journals and writing each section of a manuscript, starting with the results. The stepwise learning process uses practical exercises to develop writing and data presentation skills through analysis of well-written example papers. Strategies are presented for responding to referee comments, as well as ideas for developing discipline-specific English language skills for manuscript writing. The book is designed for use by individuals or in a class setting. Visit the companion site at www.writeresearch.com.au for more information.

Spring has sprung in Briar Creek, but it is not all sunshine and roses, in the newest Library Lover's Mystery from the New York Times bestselling author of One for the Books. Spring is livening up Briar Creek after a long, cold winter, and newlyweds Lindsey and Sully could not be happier. Even though the upcoming mayoral election is getting heated, everything else in town is coming up daffodils...until a body is found. Ms. Cole, a librarian and current candidate for town mayor, is shocked when she opens her trunk to discover a murder victim who just so happens to be a guy she dated forty years ago and the founder of the baking empire Nana's Cookies. As the town gossip mill turns, a batch of rumors begins to circulate about Ms. Cole's rebellious youth, which--along with being a murder suspect--threatens to ruin her life and her budding political career. But Ms. Cole is one tough cookie who will not go down without a fight. Has the campaign for mayor turned deadly? It is up to Lindsey, Sully, and the rest of the crafternoon pals to see how the cookie crumbles and figure out who is trying to frame Ms. Cole for murder and why.
