The Treasured One is the second book in The Dreamers Series by David Eddings. This series takes place in a new ' universe ' , but the stories feel a lot like Mr. Eddings other books but are my least favourite of his stories. I did enjoy the books, but for me they don ' t feel quite as epic as his other reads.

The Treasured One (The Dreamers, #2) by David Eddings

David and Leigh Edding's second book of the Dreamers series, The Treasured One, will be better known as book 1.5 rather than book 2. Easily, two-thirds of the book goes back to the events in book one, The Elder Gods, but through different characters perspectives. Much like the first book of the series, there is a lot of backtracking to help develop and introduce characters into the story.

New York Times bestselling authors David and Leigh Eddings, creators of such grand fantasy epics as The Belgariad and The Malloreon, continue the national bestselling saga of The Dreamers with an epic new novel of gods and mortals who must defy the dark forces that would destroy them all... Flush from their narrow victory over the horrific Vlagh, Longbow and his companions are drawn to a pastoral territory in south Dhrall, confident that they will thwart the next assault by their inhuman foe. But on the border of the Wasteland, the Vlagh is breeding a monstrous new army of venomous bat-bugs and armored spiders. These grotesque legions threaten to overwhelm the allies, who are further shocked by a prophecy delivered by the Dreamers: an invasion by a new, second army. A force of armed acolytes approaches to plunder this unspoiled land in a global holy war. Now farmers and hunters, soldiers and madmen, mortals and gods-all charge to a battle that will decide the fate of the world.

While most continents float freely on the face of Mother Sea, the Land of Dhrall survives anchored by the will of the Gods. All Gods, Elder and Younger, share the people and the land of Dhrall equally. But the one place they never enter is The Wasteland: a barren and hideous wilderness ruled by the Vlagh--a god-like creature whose young are evil spawn. Now, as the Elder Gods are about to transfer their power to the Younger Gods, the Vlagh plans to take advantage of their weakened state and neutralize them, eventually conquering the world. To do so, it is breeding a terrible force borne of monsters and demons. But one ray of hope shines through the darkness: four children called the Dreamers. They alone hold the power to change the course of history...and stop the Vlagh in its quest for total world domination.

In the thrilling conclusion to The Dreamers, the Vlagh prepares for one merciless attack that will pit her forces against the might of both the Elder Gods and the Younger Gods. All may be for naught, however, if the allies fail to respond to the fact that one within their ranks is losing her mind.

In this major publishing event, two of the most important names in epic fantasy offer the first of a four-book series.

After two devastating defeats and the utter annihilation of two armies, the hideous Vlagh still vows to invade the land of Dhrall. A voracious insectile overmind, she can breed millions of soldiers in mere days and even evolve entire new species in just a week.At first, Dhrall's mortal defenders-a motley bunch of mercenaries, pirates, horse lords, and lone heroes like the archer Longbow-are certain they'll prevail again. Most are now battle-hardened veterans, and the natives of Dhrall are fierce bison hunters and bear slayers, ready to fight.But while the Vlagh's past servants were giant, venomous, and mindless bugs, it has now created perfect spies: new minions with a man's appearance and intelligence. Corrupted by the agents of the Vlagh, the human tribes are soon at one another's throats.Far, far

worse for mortals is the fact that the Gods can no longer be trusted. For, nearing the end of their 25,000 year cycle, the Elder Gods are doddering toward senility and dementia. And to add to mankind's plight, a strange mysterious entity is manipulating the forces in the upcoming strife and neither gods nor mortals know its true intentions. Now, beset by astonishing, dire challenges, Longbow and his fellow mortals must wage a bitter war against a supernatural enemy-one that has evolved in ways they could have never imagined...

Beloved talk show host Kathie Lee Gifford inspires children to follow God's dreams for them in this picture book about finding your passions and growing into God ' s plan. Each child has dreams to discover over their lifetime, and Hello, Little Dreamer helps families celebrate each child's God-given purpose in the world. Children glow with joy and a sense of security when they know God made them for a purpose. Four-time Emmy Award winner and New York Times bestselling author Kathie Lee Gifford reminds preschoolers and elementary-aged kids that God has been dreaming for them since even before they were born. Some dreams reveal themselves quickly while others take time to develop, but each dream adds to the beautiful picture of who a child is becoming. This hopeful and affirming picture book for 4 to 8-year-olds encourages children to try new things and explore their interests, strengths, and talents to discover who God made them to be teaches that some dreams take time to find and you should never give up trying helps children rest in God's love for them and have confidence in themselves as His creation features a bright, decorative cover and wonder-filled illustrations of diverse children from Anita Schmidt is an uplifting choice for shared story times and bedtime reading or for independent reading by older children This is an ideal book to give kids for birthdays, adoption parties, or other special occasions such as preschool or kindergarten graduation. With its encouraging, biblically based words, Hello, Little Dreamer will encourage any child to trust that they have an amazing role in God's story.

Eighteen-year-old Nami is a magic user with a keen interest in helping everyone...but herself. Ryutaro is the new boy in school--he's rough around the edges and has a mysterious past, but beneath his rugged exterior is a gentle soul. When these two meet, they leave each other spellbound! It's new love in the world of Someday's Dreamers! -- VIZ Media

Relates the story of Matilda, the daughter of Henry I of England, and her efforts to regain the throne that was stolen from her

Children ride and glide in boats as they adventure through their dreams. From Maiqui in the Andes who sails through the constellations and greets Mighty Viracocha, to Aljuu in the Northwest coast, who floats near the shores of Haida Gwaii and adventures with Eagle, Orca, Black Bear, and her Grandmother, to Ivan in St. Petersburg who sneaks between the bony legs of Baba Yaga, "Dreamboats" takes readers into the dreams of children around the world, dreams that are filled with family and legends, culture and love. Written in lyrical prose by Dan Bar-el with gorgeous art by Kirsti Anne Wakelin, this is a book to be treasured by generations of dreamers.

Flush from their narrow victory over the horrific Vlagh, Longbow and his companions are drawn to a pastoral territory in south Dhrall, confident that they will thwart the next assault by their inhuman foe. But on the border of the Wasteland, the Vlagh is breeding a monstrous new army of venomous bat-bugs and armored spiders. These grotesque legions threaten to overwhelm the allies, who are further shocked by a prophecy delivered by the Dreamers: an invasion by a new, second army. A force of armed acolytes approaches to plunder this unspoiled land in a global holy war. Now farmers and hunters, soldiers and madmen, mortals and gods-all charge to a battle that will decide the fate of the world.
