According to the termination of Rovi Guide Plus+ Data Service, Guide Plus+ Data is lost and the following problems occur. When pressing Guide button, TV Guide will be No Data and timer recording cannot be set from TV Guide. Also message is displayed and it is not improved even if you follow the message and operate. (See the picture.)

How to deal with after the Guide Plus+ service has...

If you're having problems with the TV Guide, it could mean your device isn't receiving the correct signals needed to populate it. To fix this the best options are to restart or retune your device – see our guides on how to do this in the related content section below.

Missing TV Guide information / Freeview

Unfortunately, Guide Plus + on the RDR-HXD models (analogue) will no longer work due to Gemstar switching this service off. Bid TV can only be set on the new range RDR-DC range of recorders which run on a digital Guide Plus + system. I am sorry I cannot be of greater assistance on this occasion. Yours sincerely, Sandip Singh Customer Information Centre

Solved: Impending loss of Guide Plus+ Sony

If you're not getting the TV guide information, it may mean that your Freeview receiver isn't getting a signal from the service that transmits the programme information. What to do **One** of the first things to try, is rebooting the Freeview box – Disconnect the mains power for 30 seconds and reconnect the power.

Missing Freeview TV Guide information / TV Answers...

Remove/disconnect the aerial cable from the TV; Do a full tune/re-scan of the channels on the TV. This should render all channels "Blank" Re-connect the aerial cable back; Do another full tune/re-scan of the channels; The EPG will take approx 5-10 minutes before it adds everything. Cheers

Solved: TV Guide missing - Sony

One TV has TVPlus working OK and the other is not working at all. The one with the issue is a UE55MU7070 with software version T-KMDEUC-1280.5, BT-S. It is driving me nuts.

Tv plus not working - Samsung Community

Samsung's TV Plus partnered with Fandango for this service no longer available. However, you can find all your purchased content on the Fandango app using the same credentials. I hope this helped. If additional help is required, please contact FandangoNow customer support.

TV Plus will not load - Samsung Community

I've been experiencing problems with the DVD programme guide on my TV which is a Panasonic TX LCD32. Many of the channels on the guide are not displaying any information whatsoever - other than messages such as 'no data' or 'no events available' etc. Other channels are only displaying the current programme and the next.

Panasonic TV - EPG/TV Guide problems - Digital Spy

Automatic retune: These may vary slightly depending on which device you have, but they usually include the following simple steps: Press menu on your box or TV remote control. Select 'set-up', 'installation', 'update' or a similar option. If you're asked for a password, the default code is '1234' or '0000'.

Reception: picture and channels troubleshooting guide...

If you have no information in the Now & Next section of your guide, then try restarting your TV. Press & hold the power button on the remote for 8 seconds, then let go. Your TV will then power down. Once it has turned off, turn it back on again.
