"Adah, a woman from the Ibo tribe, moves to England to live with her Nigerian student husband. She soon discovers that life for a young Nigerian woman living in London in the 1960s is grim. Rejected by British society and thwarted by her husband, who expects her to be subservient to him, she is forced to face up to life as a second-class citizen."--Back cover.

501 Synonyms and Antonym Questions is designed to help students prepare for the verbal sections of most assessment and entrance exams. The book increases a student's vocabulary and refines their knowledge of words, bringing about higher standardized test scores and more effective verbal and written communication. Questions in this book prepare students for the synonym and antonym problems found on most standardized tests-including high school entrance exams, the SAT, civil service exams, and the GRE. The book increases in difficulty as students move through each exercise. All answers are explained, featuring short definitions and terms that clarify word meanings and their opposites for effective studying and positive reinforcement.

Ada tuned into a song while walking into the house. Instead of the excitement and pleasure that usually came with singing, a haze of vagueness and emptiness hung on her mind. What was that for? She just couldn't tell. Maybe seeing her son, Chideraa, would make her feel better. She had left him in the sitting room. But Chideraa was not in the sitting room when she walked in. Ada searched under the bed, and table. She looked up to the ceiling and the walls, even though she knew Chideraa could not have climbed there. When she couldn't find him, she screamed, "Chideraa!" But there was no response. Love, suspense, intrigue, conspiracy, deceit, treachery, pain, and anguish are all here in author Stan-Collins Ubaka's latest book, Chideraa: Love and Bruises. Ubaka tells a story most of us can relate to. Ada was a young, innocent girl in love. This supposed beautiful feeling resulted in pain, then gain, then pain, and then ... The emotional roller coaster seemed never-ending. Chideraa: Love and Bruises educates you about the many ills in our society. You will also find there is hope despite how things look at times.

Introduces the basic tools, methods, and materials for thirty different handicrafts, including bookbinding, gem cutting, and making musical instruments.

Textbooks play a key role in enhancing the quality of learning, especially in the context of low-income Sub-Saharan African (SSA) countries characterized by large class-size, poorly motivated and inadequately trained teachers, and short effective school years. There are also high rates of illiteracy among parents and few reading materials at home for the student to bank on. Despite resources investments by governments, the World Bank and other development partners, the majority of students in primary and secondary schools in SSA still lack the benefit of access to textbooks and the key reason for this shortage is affordability; textbooks are generally much more costly in SSA than in other developing regions. The need to increase access to key learning resources is of particular urgency because most African countries experience low learning outcomes which in part contributes to a high drop-out rate. Only two-thirds of those who enter school reach the final grade and only about half of these master basic numeracy and literacy skills. And although quality improvement depends on many factors inside and outside the school, there is wide agreement that availability of textbooks is both an indispensable and a cost-effective way of improving the quality of the learning process. A recent World Bank study examined the actual costs of textbooks, the scope for cost reduction, the portion of a national budget countries allocate to teaching and learning materials (TLMs) and hurdles in the way of making textbooks available to student. Some interesting findings from the study - - The availability of affordable textbooks to all students could be dramatically improved by devoting an estimated 3 to 4 percent of the primary education budget and 6 to 7 percent of the secondary education budget - The production process +” methods, copyright, length of print runs, effective procurement practices +” rather than the production costs should be the target of cost saving strategies - The increased integration of ICTs into education in SSA can provide important opportunities for promoting availability of electronic TLMs but electronic TLMs are not a substitute for printed TLMs including textbooks
