Worship Words: Discipling Language for Faithful Ministry ...
Get this from a library! Worship words : discipling language for
faithful ministry. [Debra Rienstra; Ron Rienstra] -- Words have great
significance. They both form and inform us. They convey meaning and
shape understanding. They express our highest thoughts and our deepest
emotions. But because of their ubiquity, ...

Worship words : discipling language for faithful ministry ...
worship words reflect and contribute to the development of our
relationship with God. The authors suggest that we ought to attend to
(though not necessarily "balance") four dimensions of worship
language: the expressive, aesthetic, instructive, and memorial.
Additionally, they argue that those who plan and lead services should
ensure

expression of a deeper range of emotions to God, including the language of lament which helps us respond to tragedy or pain while continuing to engage God and await God's response. "Worship Words" also addresses words in worship that usually escape our attention. Because worship words express our deepest emotions and help us define the foundational relationship of our lives, these are never throwaway words even when we are ...

Worship Words: Discipling Language for Faithful Ministry ...

In *Worship Words: Discipling Language for Faithful Ministry* (Baker Academic, 2009), Debra Rienstra recounts a conversation after a Christian school Christmas concert. She asked her children what pictures of God they had in their minds from the names of God used in the songs.

Worship professor and practitioner Constance Cherry shows how to create services that are faithful to Scripture, historically conscious, relevant to God, Christ-centered, and engaging for worshipers of all ages in the twenty-first century. More than 150 colleges and seminaries have used or currently use the first edition as a required text. In this new edition, each chapter has been substantially updated and revised, including illustrations, key terms, examples, technological references, and suggested resources for further reading. A new chapter on global worship and a new appendix on live-streamed worship are included.

Modern worship leaders are restless. They have inherited a model of leadership that equates leading worship with being a rock star. But leading worship is more than a performance, it's about shaping souls and making disciples. Every worship leader is really a pastor. The *Worship Pastor* is a practical and biblical introduction to this essential pastoral role. Filled with engaging, illustrative stories it is organized to address questions of theory and practice, striving to balance conversational accessibility with informed instruction. Part One presents a series of evocative "vignettes"--intriguing and descriptive titles and metaphors of who a *Worship Pastor* is and what

he or she does. It shows the Worship Pastor as Church-Lover, Disciple Maker, Corporate Mystic, and Doxological Philosopher. Part Two covers specific roles related to ministry within the worship service itself--the Worship Pastor as Theological Dietician, Caregiver, Mortician, Emotional Shepherd, War General, Prophetic Guardian, Missional Historian, and Liturgical Architect. Part Three looks at ministry beyond the worship service--the Worship Pastor as Visionary Teacher, Evangelist, Artist Chaplain, and Team Leader. While some worship leaders are eager to embrace their pastoral role, many are lost and confused or lack the resources of time or money to figure out what this role looks like. Pastor Zac Hicks gives us a clear guide to leading worship, one that takes the pastoral call seriously.

How many ways can your church's worship equip the congregation for its mission? Worship changes through the seasons, from Christmas, through Lent and Easter, and beyond. The way worship relates to your church's mission should change, too. This book explores those seasonal changes by examining both worship and mission as aspects of union with Christ. Just as we are to follow Christ through the various stages of his life and work in worship during the church year, we can follow him in our mission through these same stages of his life and work.

How does the universal experience of suffering relate to the experience of worship? Questioning how Anglican liturgy welcomes people who are suffering, *Suffering in Worship* uniquely applies a narrative-ritual model for the analysis of both the liturgical text and worship services themselves. In this book, van Ommen draws on interviews with participants in worship as well as clergy.

Highlighting several elements in the liturgy which address suffering, including the Eucharist, songs, sermons and prayers of intercession, he shows the significance of a warm and safe liturgical community as a necessary context for suffering people to find consolation. This book also uses the concept of remembrance to plead for liturgy that attends to the suffering of both God and people. As such, it will be of interest to scholars of pastoral theology as well as clergy.

This is an essential introductory to liturgy for both ordinands and trainee lay readers - indeed for anyone who finds themselves having to plan or lead public worship. Well-known worship writer and speaker Mark Earey has written this book both for lovers and loathers of liturgical worship - and for those who want to discover it for the first time. This updated and enlarged second edition now includes:

- How liturgy works as ritual;
- The use of liturgy in different traditions;
- The shape of the Christian year - and what this tells us

about God's engagement with the world; • Patterns of reading scripture in worship; using music and song; and how to use words and silence in worship. Liturgical Worship will enthuse and give confidence to anyone who needs to know more about this fascinating subject.

Biblical proclamation is central to Christian worship. The Bible witnesses to the foundational experiences of the Church. Its proclamation invites worshippers into encounter with Christ, the living Word. "The Bible in Worship" seeks to make visible how the Bible is encountered in the worship of mainstream Western churches. Focusing in turn on the Roman Catholic, Reformed and Anglican traditions, Victoria Raymer offers a detailed and lively consideration of the contemporary practices of proclamation in each, considers their respective patterns of reading the Bible as part of public worship, and reflects on the place the Bible takes in daily prayer. Raymer also draws our attention towards the role the psalms play in contemporary formal liturgy, and offers a chapter on how the Bible is weaved into less formal forms of worship, including contemporary sung worship. Offering a truly holistic study of the scripture in worship, the book will resource readers to reflect on how proclamation invites response in understanding and resolve, and to consider how it might do so more effectively.

The study of liturgy has received criticism from scholars and practitioners alike: the academic discipline of liturgiology has been compared to the hobby of stamp collection, and proponents for liturgical renewal argue that worship must be made more accessible and relevant. Bryan Spinks has been an important moderating voice in this discussion, reminding both academic and ecclesial communities that Christ is made known in the liturgical riches of the past as well as in contemporary forms of the present. Inspired by Spinks' work, this volume brings together biblical, historical, and theological scholars to discuss the theme of continuity and change in worship. Its historical range begins with the early church, extends through the Reformation, and concludes with a discussion of issues facing contemporary liturgical reform. In recognition of the fact that Professor Spinks' work has been widely influential in both Europe and the United States, the editors have solicited liturgical perspectives from scholars with international reputations on sides of the Atlantic.

Worship 4 Today is a three-part course specially designed to train and equip all who lead worship in the local church. Part 1 explores the basic ingredients of worship, our understanding of God, worship in the Old Testament, and basic leadership skills. It blends theology,

history and practice in a dynamic, transformative programme.

An Essential Guide to Understanding and Leading Worship Worship leaders are adrift in a sea of worship resources, but, incredibly, no single book provides a simple introduction to worship and worship leading. Essential Worship is a concise, easy-to-read primer on the basics of worship theology and practice. Each concept is introduced clearly and concisely. Diagrams, charts, and bulleted lists make the information easy to digest. And preparation and reflection questions help readers apply the material to their own church context. Whether one is a beginner or an experienced worship leader, readers from all traditions will find in this resource a solid foundation for future success. It is particularly well-suited for the first-time worship or praise band leader, as well as for pastors who want to be more intentional about the music in their services.
